

Blue Owl Capital Corporation

Blue Owl Capital Corporation (NYSE: OBDC) is the second largest publicly traded business development company¹ (BDC) focused on providing direct lending solutions to U.S. upper middle-market companies.

OBDC's Investment Approach

Our approach is to construct a diversified, defensively positioned portfolio that performs across market cycles by leveraging the differentiated sourcing, underwriting and risk management capabilities across Blue Owl's \$91 billion Credit platform.

The scale and flexibility of our capital base allows us to capitalize on attractive risk-adjusted return opportunities for our investors and be a preferred solutions provider for our sponsor partners.

AVERAGE ANNUAL LOSS RATE^{14,15}

Note: Figures are as of the quarter-ended 3/31/24 unless otherwise noted. Past performance is not indicative of future results. All investments are subject to risk, including the loss of the principal amount invested. This information is being provided for illustrative/informational purposes only, not indicative of actual client results. Diversification does not guarantee a profit or protect against a loss in a declining financial market.

1. Source: Bloomberg as of 05/03/24.
2. LTM total return defined as change in net asset value per share plus total dividends paid per share (from 3/31/23 to 3/31/24, divided by 3/31/23 net asset value per share).
3. Quarterly dividends per share (including any supplemental dividends per share associated with respective quarter's earnings), multiplied by 4, divided by the period end net asset value per share.
4. Annual net loss rate based on annual net realized losses divided by the average quarterly cost of investments. The average annual loss rate is based on the average loss rate in each year since inception from 1Q16 to 1Q24.
5. Direct lending industry loss rate based on Cliffwater Direct Lending Index realized gains/losses from 2Q'16 to 3Q'23.
6. Based on fair value.
7. Based on fair value of debt investments.
8. Borrower financials are derived from the most recently available portfolio company financial statements, have not been independently verified by Blue Owl, and may reflect a normalized or adjusted amount. Accordingly, Blue Owl makes no representation or warranty in respect of this information. This represents 83.1% of our total debt portfolio based on fair value and excludes certain investments that fall outside of our typical borrower profile.
9. "Net LTV" represents the net ratio of "loan to value" for each portfolio company, weighted based on the fair value of OBDC's loan investment. The "attachment point" is the principal amount of debt that is senior to OBDC's loan investment, and that amount plus the principal amount of the loan in which OBDC invested and other equally ranked debt is the "last dollar" amount.
10. Excludes joint ventures (OBDC Senior Loan Fund) and equity investments in Wingspire, Amergin AssetCo, LSI, and Fifth Season.
11. Total return since inception is calculated as the change in quarterly net asset value per share plus total dividends per share (assuming any dividends are reinvested in accordance with the Company's dividend reinvestment plan), divided by net asset value per share at inception.
12. Latest net investment income per share divided by latest regular dividend per share.
13. Excludes broadly syndicated transactions.
14. Average annual loss rate across the Blue Owl Credit platform based on total annual realized losses across all investments divided by the average aggregate quarterly cost of investments. The loss rate is based on the average loss rates in each year since inception from 2016 to 4Q23.
15. Source: SP LCD, Cliffwater, JP Morgan. Market loss rates calculated as average loss rates and defined as: for loans, based on SP LCD default rates for all loan \$ defaults as percentage of total outstanding and calculated as $\text{default} * (1 - \text{average historical Recovery Rate})$ from 2016 to 4Q23; Direct Lending based on Cliffwater Direct Lending Index realized gains/losses from 2Q16 to 3Q23; High Yield Bonds based on JP Morgan Default Monitor annual defaults and calculated as $\text{default} * (1 - \text{average historical Recovery Rate})$ from 2016 to 4Q23; Recovery rates for loans of range from 48-63% by year and 22-55% for bonds and are based on JP Morgan Default Monitor, May 1, 2024.

Important Information

Unless otherwise indicated, the Report Date reference is March 31, 2024.

Past performance is not a guide to future results and is not indicative of expected realized returns.

Assets Under Management ("AUM") refers to the assets that Credit manages and are generally equal to the sum of (i) net asset value ("NAV"); (ii) drawn and undrawn debt; and (iii) uncalled capital commitments.

This presentation contains proprietary information regarding Blue Owl Capital Inc. ("Blue Owl"), its affiliates and investment program, funds sponsored by Blue Owl, including the Credit Funds, the GP Strategic Capital Funds and the Real Estate Funds (collectively the "Blue Owl Funds") as well as investment held by the Blue Owl Funds. This presentation and the information contained in this presentation may not be reproduced or distributed to persons other than the recipient or its advisors.

The views expressed and, except as otherwise indicated, the information provided are as of the report date and are subject to change, update, revision, verification, and amendment, materially or otherwise, without notice, as market or other conditions change. Since these conditions can change frequently, there can be no assurance that the trends described herein will continue or that any forecasts are accurate. In addition, certain of the statements contained in this presentation may be statements of future expectations and other forward-looking statements that are based on the current views and assumptions of Blue Owl and involve known and unknown risks and uncertainties (including those discussed below) that could cause actual results, performance, or events to differ materially from those expressed or implied in such statements. These statements may be forward-looking by reason of context or identified by words such as "may, will, should, expects, plans, intends, anticipates, believes, estimates, predicts, potential or continue" and other similar expressions. Neither Blue Owl, its affiliates, nor any of Blue Owl's or its affiliates' respective advisers, members, directors, officers, partners, agents, representatives or employees or any other person (collectively the "Blue Owl Entities") is under any obligation to update or keep current the information contained in this document.

This presentation contains information from third party sources which Blue Owl has not verified. No representation or warranty, express or implied, is given by or on behalf of the Blue Owl Entities as to the accuracy, fairness, correctness or completeness of the information or opinions contained in this presentation and no liability whatsoever (in negligence or otherwise) is accepted by the Blue Owl Entities for any loss howsoever arising, directly or indirectly, from any use of this presentation or its contents, or otherwise arising in connection therewith.

This presentation contains certain prospective financial information with respect to OBDC's estimated future performance. OBDC's independent auditors have not audited, reviewed, compiled, or performed any procedures with respect to such information for the purpose of their inclusion in this presentation and, accordingly, have not expressed an opinion or provided any other form of assurance with respect thereto for purposes of the presentation. In this presentation, certain of such prospective financial information has been included (in each case, with an indication that the information is an estimate and is subject to the qualifications presented herein) for purposes of providing comparisons with historical data. The assumptions and estimates underlying the prospective financial information are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the prospective financial information. There can be no assurance that the prospective financial information is indicative of the future performance of OBDC or that actual results will not differ materially from those presented in the prospective financial information. Inclusion of prospective financial information in this presentation should not be regarded as a representation by any person that the results contained in the prospective financial information will be achieved. The prospective financial information reflects assumptions that are subject to change, and there can be no assurance that OBDC's financial condition or results of operations will be consistent with those set forth in such prospective financial information.

The prospective financial information, guidance and other forward-looking statements included herein are effective only on the date given. We will not update, reaffirm or otherwise comment on any prospective financial information, guidance or other forward-looking statements in connection with this presentation, except as may be required by law. No reference made to any prior financial guidance or other forward-looking statements in connection with this presentation should be construed to update, reaffirm or otherwise comment on such prior financial guidance or other forward-looking statements.

All investments are subject to risk, including the loss of the principal amount invested. These risks may include limited operating history, uncertain distributions, inconsistent valuation of the portfolio, changing interest rates, leveraging of assets, reliance on the investment advisor, potential conflicts of interest, payment of substantial fees to the investment advisor and the dealer manager, potential illiquidity, and liquidation at more or less than the original amount invested. Diversification will not guarantee profitability or protection against loss. Performance may be volatile, and the NAV may fluctuate.

This presentation is for informational purposes only and is not an offer or a solicitation to sell or subscribe for any fund and does not constitute investment, legal, regulatory, business, tax, financial, accounting, or other advice or a recommendation regarding any securities of Blue Owl, of any fund or vehicle managed by Blue Owl, or of any other issuer of securities. Only a definitive offering document can make such an offer. Neither the Securities and Exchange Commission, the Attorney General of the State of New York nor any state securities commission has approved or disapproved of these securities or determined if the definitive offering document is truthful or complete. Any representation to the contrary is a criminal offense. Capital commitments may be solicited through Blue Owl Capital Securities LLC, Member of FINRA/SIPC, as Dealer Manager. For information on all the risk factors please refer to the latest SEC filings located here.
