Section 1.2 Usage of Terms. With respect to all terms in this Indenture, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to "writing" include printing, typing, lithography and other means of reproducing words in a visible form; references to agreements and other contractual instruments include all amendments, modifications and supplements thereto or any changes therein entered into in accordance with their respective terms and not prohibited by this Indenture; references to Persons include their permitted successors and assigns; and the term "including" means "including without limitation."

Section 1.3 Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture or the Credit Agreement with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (including Current Pay Obligations but excluding Defaulted Obligations, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent any payments have actually been received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to a Collateral Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Debt and distributions

on the Subordinated Securities or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.7(b)(iii), Section 10.7(b)(iv), Article XII and the definition of "Interest Coverage Ratio", the expected interest on the Secured Debt and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to the Defaulted Obligation Balance.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to the definition of "Defaulted Obligation", then the Current Pay Obligations with the lowest Market Value (expressed as a percentage of the Principal Balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a pro forma basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Collateral Trustee, the Loan Agent and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(j) For the purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(k) Except as expressly set forth in this Indenture, the "outstanding principal balance" and the "principal balance" of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation shall include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(l) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(m) Any reference in this Indenture to an amount of the Collateral Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be calculated on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and shall be based on the aggregate face amount of the Assets.

(n) To the extent of any ambiguity in the interpretation of any definition or term contained herein or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Collateral Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(o) For purposes of calculating compliance with any tests under this Indenture, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(p) For all purposes where expressly used in this Indenture, the "outstanding principal balance" and the "principal balance" shall exclude capitalized interest, if any.

(q) For purposes of calculating the sale proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

At any time and from time to time after the execution and delivery of this Indenture, the Applicable Issuer may deliver Notes executed by the Applicable Issuer to the Collateral Trustee or the Authenticating Agent for authentication and the Collateral Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided herein and not otherwise.

Each Note authenticated and delivered by the Collateral Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

If any Note is divided into more than one Note in accordance with this [Article II](#), the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Collateral Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such Certificate of Authentication upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

(b) Conversion of Class A Loans.

(i) Notwithstanding anything herein to the contrary and in accordance with the procedures set forth in Section 3.7 of the Credit Agreement, upon written notice from a Converting Lender to the Collateral Trustee, the Loan Agent, the Rating Agency and the Co-Issuers, provided in accordance with the Credit Agreement, such Converting Lender may elect any Payment Date (such Payment Date, the "Conversion Date") upon which all or a portion of the Aggregate Outstanding Amount of the Class A Loans held by such Converting Lender shall be converted into Class A Notes of an equal Aggregate Outstanding Amount in accordance with the terms hereof and the terms of the Credit Agreement; *provided* that (x) the Conversion Date shall be no earlier than the fifth Business Day following the date such notice is delivered (or such later date as may be reasonably agreed to by such Converting Lender, the Loan Agent and the Collateral Trustee) and (y) the Conversion Date may only occur on a Payment Date.

(ii) On the Conversion Date, (A) the Aggregate Outstanding Amount of the Class A Notes shall be increased by the current Aggregate Outstanding Amount of the Class A Loans so converted and (B) the Class A Loans so converted shall cease to be Outstanding and shall be deemed to have been repaid in full for all purposes hereunder and under the Credit Agreement. Class A Notes may not be converted into Class A Loans.

(iii) The Co-Issuers, the Collateral Manager and the Converting Lender agree to provide reasonable assistance to the Collateral Trustee and the Loan Agent in connection with such conversion, including, but not limited to, providing applicable instructions to DTC, the Collateral Trustee and the Note or Loan Registrar, as applicable.

(iv) Each Class A Lender may elect, in its sole discretion, to exercise the Conversion Option concurrently with an assignment of all or a portion of its Class A Loans (an "Assignment/Conversion") such that the effective date of the assignment occurs on the related Conversion Date and the assignee receives Class A Notes (or interest therein) in lieu of the portion of Class A Loans being assigned. Any assignment made in connection with an Assignment/Conversion shall meet the requirements for an assignment set forth in Section 3.7 of the Credit Agreement. Any Class A Lender electing to make an Assignment/Conversion shall deliver to the Collateral Trustee, the Loan Agent and the Co-Issuers at least five Business Days prior to the Conversion Date, (w) an executed Assignment Agreement (as defined in the Credit Agreement), (x) a completed notice substantially in the form of Exhibit C to the Credit Agreement, (y) the assignment fee required under the Credit Agreement and (z) a written certification from the assignee substantially in the form of Exhibit B-6 or Exhibit B-7, as applicable.

The Collateral Trustee is hereby initially appointed registrar (the "Registrar") for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar.

If a Person other than the Collateral Trustee is appointed by the Issuer as Registrar, the Issuer will give the Collateral Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Collateral Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Collateral Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Secured Debt and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Collateral Manager, the Placement Agent, or the Co-Placement Agent a current list of Holders as reflected in the Register.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Issuer to be maintained as provided in Section 7.2, the Issuer (and solely with respect to the Co-Issued Notes, the Co-Issuer) shall execute, and the Collateral Trustee shall authenticate, or cause the Authenticating Agent to authenticate, and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount. At any time, upon request of the Issuer, the Collateral Manager, the Placement Agent, or the Co-Placement Agent, the Collateral Trustee shall provide such requesting Person a list of Holders of the Secured Debt.

In addition, when permitted under this Indenture, the Issuers, the Collateral Trustee and the Collateral Manager shall be entitled to rely upon any certificate of ownership provided to the Collateral Trustee by a beneficial owner of a Note (including a Beneficial Ownership Certificate or a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership as to the names and addresses of such beneficial owner and the Classes, principal amounts and CUSIP numbers of Notes beneficially owned thereby. At any time, upon request of the Applicable Issuer, the Collateral Manager, the Placement Agent, or the Co-Placement Agent, the Collateral Trustee shall provide such requesting Person a copy of each Beneficial Ownership Certificate that the Collateral Trustee has received.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuer shall execute, and the Collateral Trustee shall authenticate, or cause the Authenticating Agent to authenticate, and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in a form reasonably satisfactory to the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Collateral Trustee may require payment of a sum sufficient to cover any transfer, tax or other governmental charge payable in connection therewith. The Collateral Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note and no Subordinated Security may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause the Applicable Issuer to become subject to the requirement that it register as an investment company under the 1940 Act.

(c) Each purchaser, beneficial owner and subsequent transferee of a Note or a Subordinated Security (or interest therein) will be deemed (and may be required) to represent and agree that:

(i) It agrees to provide upon request certification acceptable to the Issuer to permit the Issuer to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) comply with applicable law. It has read and understands the summary of the U.S. federal income tax considerations contained in the Offering Circular as it relates to such Notes or Subordinated Securities, and it represents that it will treat such Notes or Subordinated Securities for U.S. tax purposes in a manner consistent with the treatment of such Notes or Subordinated Securities by the Issuer described therein and will take no action inconsistent with such treatment.

(ii) In the case of the Subordinated Securities or other interests that might be treated as equity of the Issuer (the Subordinated Securities and such other interests, collectively, Equity Securities"), it agrees that (A) it will not (1) acquire or directly or indirectly sell, encumber, assign, participate, pledge, hypothecate, rehypothecate, exchange, or otherwise dispose of, suffer the creation of a lien on, or transfer or convey in any manner (each, a "Transfer") such Equity Securities (or any interest therein that is described in United States Treasury Regulations Section 1.7704-1(a)(2)(i)(B)) on or through (x) a United States national, regional or local securities exchange, (y) a foreign securities exchange or (z) an

interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers ((x), (y) and (z), collectively, an "Exchange") or (2) cause any of such Equity Securities or any interest therein to be marketed on or through an Exchange; (B) it will not enter into any financial instrument payments on which are, or the value of which is, determined in whole or in part by reference to such Equity Securities or the Issuer (including the amount of Issuer distributions on such Equity Securities, the value of the Issuer's assets, or the result of the Issuer's operations), or any contract that otherwise is described in United States Treasury Regulations Section 1.7704-1(a)(2)(i)(B); (C) if it is, for U.S. federal income tax purposes, a partnership, grantor trust or S corporation, then less than 50% of the value of any person's interest in it will be attributable to such Equity Securities, unless the Issuer has obtained Tax Advice that such Holder will not cause the Issuer to be unable to rely on the "private placement" safe harbor of United States Treasury Regulations Section 1.7704-1(h); (D) it will not Transfer all or any portion of such Equity Securities unless such Transfer does not violate this clause (ii); and (E) any Transfer made in violation of this clause (ii) will be void and of no force or effect, and will not bind or be recognized by the Issuer or any other person, and no person to which such Notes are Transferred shall become a Holder unless such person agrees to be bound by this clause (ii); provided that, notwithstanding the immediately preceding sentence, a Transfer in violation of this clause (ii) shall be permitted if the Issuer or the Trustee receives Tax Advice to the effect that the Transfer should not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes.

(iii) In the case of Subordinated Securities or other Equity Securities, it will not Transfer all or any portion of such Equity Securities if such Transfer would cause the combined number of holders of such Equity Securities and any equity interests of the Issuer to be more than 90 for purposes of Treasury Regulations Section 1.7704-1(h). Any Transfer made in violation of this paragraph (iii) will be void and of no force or effect, and will not bind or be recognized by the Issuer or any other person, and no person to which such Equity Securities are Transferred shall become a holder unless such person agrees to be bound by this paragraph (iii); provided that, notwithstanding the immediately preceding sentence, a Transfer in violation of this paragraph (iii) shall be permitted if the Issuer or the Trustee receives Tax Advice to the effect that the Transfer should not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes.

(iv) In the case of Subordinated Securities or other Equity Securities, it is a "United States person" as defined in Section 7701(a)(30) of the Code and agrees to provide the Issuer, the Collateral Manager and the Trustee (and any of their agents) with a correct, complete and properly executed IRS Form W-9 (or applicable successor form) with appropriate attachments (if any). Furthermore, it agrees that in connection with the Transfer of any such Equity Security such purchaser or holder shall provide the transferee with the appropriate documentation in compliance with Section 1446(f) of the Code and regulations promulgated thereunder such that no withholding tax is required pursuant to Section 1446(f) of the Code with respect to the Transfer and shall provide any forms, documentation, proof of payment or other certifications as reasonably requested by the Issuer or the Trustee (or their agents or representatives) to evidence that such purchaser or holder provided the transferee with the appropriate documentation in compliance with Section 1446(f) of the Code and regulations promulgated thereunder such that no withholding tax was required

pursuant to Section 1446(f) of the Code with respect to the Transfer and (y) a transferring purchaser or holder shall pay and/or reimburse and hold harmless the Issuer for any withholding tax imposed on the Issuer pursuant to Section 1446(f) of the Code, together with any related interest, costs, expenses, and penalties, that would not have been imposed had the transferring purchaser or holder properly complied with the certification procedures under Section 1446(f) of the Code and regulations promulgated thereunder. This indemnification will continue even after such purchaser or holder ceases to have an ownership interest in such Equity Securities.

(v) Each Holder of Secured Notes represents, acknowledges and agrees that it is not and will not become a member of an "expanded group" (within the meaning of Treasury Regulations issued under Section 385 of the Code.) that includes a domestic corporation (as determined for U.S. federal income tax purposes) if such domestic corporation directly or indirectly (through one or more entities that are treated for U.S. federal income tax purposes as partnerships, disregarded entities, or grantor trusts) owns Subordinated Securities.

(vi) Prior to the transfer by the Sole Equity Owner of any Secured Notes, (A) the Sole Equity Owner must receive an opinion of counsel that any Secured Notes that are issued or treated as issued for U.S. federal income tax purposes upon a transfer will be treated as indebtedness for U.S. federal income tax purposes following such transfer, which opinion need not address the effect of any regulations that would treat debt as equity for periods in which it is held by a Holder or beneficial owner that is related to the issuer of such debt, and (B) any Secured Notes that will be issued or treated as issued for U.S. federal income tax purposes as a result of the transfer with more original issue discount than the Secured Notes of the corresponding Class that have already been issued or treated as issued for U.S. federal income tax purposes, taking into account the qualified reopening rules, will be issued with a separate CUSIP from the Secured Notes of the corresponding Class.

(vii) For so long as the Issuer is treated as a disregarded entity for U.S. federal income tax purposes and the Sole Equity Owner owns any Secured Notes, prior to the transfer (as determined by applying U.S. federal income tax principles) by the Sole Equity Owner of any Subordinated Securities or other Equity Securities, (A) the Sole Equity Owner must receive an opinion of counsel that any Secured Notes that will be issued or treated as issued for U.S. federal income tax purposes as a result of the transfer will be treated as indebtedness for U.S. federal income tax purposes following such transfer, which opinion need not address the effect of any regulations that would treat debt as equity for periods in which it is held by a Holder or beneficial owner that is related to the issuer of such debt, and (B) any Secured Notes that will be issued or treated as issued for U.S. federal income tax purposes as a result of the transfer with more original issue discount than the Secured Notes of the corresponding Class that have already been issued or treated as issued for U.S. federal income tax purposes, taking into account the qualified reopening rules, will be issued with a separate CUSIP from the Secured Notes of the corresponding Class.

(viii) In the case of Subordinated Securities or other Equity Securities, it agrees to (a) provide tax information or certifications (including evidence of filing or payment of tax) as reasonably requested by the Partnership Representative, in connection with an audit adjustment; (b) comply with the Partnership Representative's reasonable request to file

accurate and timely amended returns to reflect an audit adjustment; (c) provide information reasonably requested by the Partnership Representative in connection with the procedures under Section 6225(c)(2) (B) of the Code and its efforts to reduce the Issuer-level liability; and (d) be liable for and economically bear, all taxes and related interest, additional amounts and penalties and other liabilities including reasonable administrative costs resulting from or otherwise attributable to the partner's allocable share (determined with respect to the adjustment period) of the tax items affected by the audit adjustment.

(ix) In the case of the Secured Notes, it acknowledges that the failure to provide the Issuer, the Collateral Manager and the Trustee (and any of their agents) with the properly completed and signed tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) with appropriate attachments (if any) in the case of a person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or the appropriate IRS Form W-8 (or applicable successor form) with appropriate attachments (if any) in the case of a person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) may result in withholding from payments in respect of the Secured Notes, including U.S. federal withholding or back up withholding.

(x) In the case of a holder of Subordinated Securities, it agrees to provide the Issuer and the Trustee (A) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in such Subordinated Securities and (B) any additional information that the Issuer, the Trustee or their agents request in connection with any 1099 reporting requirements, and to update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. It acknowledges that the Issuer or the Trustee may provide such information and any other information concerning its investment in such Subordinated Securities to the U.S. Internal Revenue Service.

(xi) No holder of Subordinated Securities will treat any income with respect to its Subordinated Securities as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code. If the holder owns more than 50% of the Subordinated Securities by value or if such holder, its beneficial owner, or a direct or indirect owner of the foregoing is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), the holder represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer is a "registered deemed-compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided the holder with an express waiver of this requirement.

(d) Notwithstanding anything contained herein to the contrary, the Collateral Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the 1940 Act, or the terms hereof; *provided* that if a certificate is specifically required by the terms of this [Section 2.6](#) to be provided to the Collateral Trustee by a prospective transferor or transferee, the Collateral Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same and the Issuer if such certificate does not comply with such terms.

(e) Each Holder will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the "[Holder AML Obligations](#)").

(f) Transfers of Global Notes shall only be made in accordance with [Section 2.2\(b\)](#) and this [Section 2.6\(f\)](#).

(i) [Rule 144A Global Note to Regulation S Global Note](#) If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (*provided* that such holder or, in the case of a transfer, the transferee is not a "U.S. Person" (as defined in Regulation S)) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Minimum Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate in the form of [Exhibit B-1](#) attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including that the holder or the transferee, as applicable, is not a "U.S. Person" (as defined in Regulation S), and (D) a written certification in the form of [Exhibit B-7](#) attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is not a "U.S. Person" (as defined in Regulation S), then the

Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Agent Member specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(ii) Regulation S Global Note to Rule 144A Global Note If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the Minimum Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate in the form of Exhibit B-4 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a QIB/QP, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B-6 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a QIB/QP, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Agent Member specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iii) Global Note to Certificated Note Subject to Section 2.11(a), if a holder of a beneficial interest in a Global Note deposited with DTC wishes at any time to transfer its interest in such Global Note to a Person who wishes to take delivery thereof in the form of a corresponding Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, transfer, or cause the transfer of, such interest for a Certificated Note. Upon receipt by the Registrar of (A) a certificate substantially in the form of Exhibit B-2 attached hereto executed by the transferee and (B) appropriate instructions from DTC, if required, the

Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Global Note by the aggregate principal amount of the beneficial interest in the Global Note to be transferred and record the transfer in the Register in accordance with [Section 2.6\(a\)](#) and upon execution by the Applicable Issuer, authentication by the Collateral Trustee or the Authenticating Agent and delivery by the Collateral Trustee of one or more corresponding Certificated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in such Global Note transferred by the transferor), and in authorized denominations.

(g) Transfers of Certificated Notes shall only be made in accordance with [Section 2.2\(b\)](#) and this [Section 2.6\(g\)](#).

(i) [Certificated Notes to Global Notes](#) If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a beneficial interest in a corresponding Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a corresponding Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for a beneficial interest in a corresponding Global Note. Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of [Exhibit B-1](#) or [Exhibit B-4](#) (as applicable) attached hereto executed by the transferor and a certificate substantially in the form of [Exhibit B-6](#) or [B-7](#) (as applicable) attached hereto executed by the transferee, (C) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the applicable Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged, and (D) a written order given in accordance with DTC's procedures containing information regarding the Agent Member's account at DTC and/or Euroclear or Clearstream to be credited with such increase, the Registrar shall cancel such Certificated Note in accordance with [Section 2.10](#), record the transfer in the Register in accordance with [Section 2.6\(a\)](#) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Agent Member specified in such instructions a beneficial interest in the corresponding Global Note equal to the principal amount of the Certificated Note transferred or exchanged.

(ii) [Certificated Notes to Certificated Notes](#) If a holder of a Certificated Note wishes at any time to exchange such Certificated Note for one or more Certificated Notes or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a Certificated Note, such holder may exchange or transfer, or cause the exchange or transfer of, such Certificated Note. Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) a certificate substantially in the form of [Exhibit B-2](#) attached hereto executed by the transferee, the Registrar shall cancel such Certificated Note in accordance with [Section 2.10](#), record the transfer in the Register in accordance with [Section 2.6\(a\)](#) and upon execution by the Applicable Issuer, authentication by the Collateral Trustee or the Authenticating Agent and

delivery by the Collateral Trustee, deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in authorized denominations.

(h) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable part of Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the applicable legend shall not be removed unless there is delivered to the Collateral Trustee and the Applicable Issuer such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuer (and which shall by its terms permit reliance by the Collateral Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the 1940 Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Collateral Trustee or its Authenticating Agent, at the written direction of the Applicable Issuer shall, after due execution by the Applicable Issuer authenticate and deliver Notes that do not bear such applicable legend.

(i) Each Person who (x) becomes a holder of an ERISA Restricted Security on the Closing Date or a Certificated Note or ERISA Restricted Security at any time will be required to represent and agree in a representation letter or (y) becomes a beneficial owner of Notes represented by an interest in a Global Note will be deemed to have represented and agreed, as follows:

(iv) Such holder beneficial owner understands that such Notes or Subordinated Securities are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes or Subordinated Securities have not been and will not be registered under the Securities Act, and, if in the future such holder or beneficial owner decides to offer, resell, pledge or otherwise transfer such Notes or Subordinated Securities, such Notes or Subordinated Securities may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of this Indenture, the Fiscal Agency Agreement (in the case of the Subordinated Securities) and the legend on such Notes or Subordinated Securities, as applicable. Such holder or beneficial owner understands that none of the Issuer, the Co-Issuer or the pool of Assets has been registered under the 1940 Act, and that they are exempt from registration as such by virtue of Section 3(c)(7) of the 1940 Act.

(v) Such holder or beneficial owner is aware that, except as otherwise provided herein, any Notes being sold to it in reliance on Regulation S will be represented by one or more Regulation S Global Notes and that in each case beneficial interests therein may be held only through DTC for the respective accounts of Euroclear or Clearstream.

(vi) Such holder or beneficial owner will provide notice to each Person to whom it proposes to transfer any interest in the Notes or Subordinated Securities of the transfer restrictions and representations set forth in this Section 2.6, including the Exhibits referenced herein.

(vii) Such holder or beneficial owner understands that the Issuer has the right to compel any beneficial owner of any Re-Priced Class that does not consent to a Re-Pricing with respect to its Notes pursuant to the applicable terms of this Indenture to sell its interest in the Notes, or may sell such interest in the Notes on behalf of such holder or beneficial owner in accordance with the terms of this Indenture.

(viii) (1)(A) The express terms of this Indenture govern the rights of the Holders to direct the commencement of a Proceeding against any Person, (B) this Indenture contains limitations on the rights of the Holders to direct the commencement of any such Proceeding, and (C) each Holder shall comply with such express terms if it seeks to direct the commencement of any such Proceeding; (2) there are no implied rights under this Indenture to direct the commencement of any such Proceeding; and (3) notwithstanding any provision of this Indenture, the Notes, the Subordinated Securities, the Collateral Management Agreement, the Collateral Administration Agreement, the Fiscal Agency Agreement or any other agreement, the Issuer shall be under no duty or obligation of any kind to the holders of the Notes or Subordinated Securities, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Collateral Trustee, the Collateral Manager, the Collateral Administrator, the Fiscal Agent or the Calculation Agent.

(ix) Such holder or beneficial owner agrees that the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may enter into binding commitments to sell and transfer all Notes of a Re-Priced Class held by non-consenting holders pursuant to this Indenture, and if such holder or beneficial owner is a non-consenting holder, it agrees to sell and transfer its Notes in accordance with the provisions of this Indenture and hereby irrevocably appoints the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, as its true and lawful agent and attorney-in-fact (with full power of substitution) in its name, place and stead and at its expense, in connection with such sale and transfer, and agrees to cooperate with the Issuer, the Re-Pricing Intermediary on behalf of the Issuer, or the Collateral Trustee to effect such sale and transfers.

(x) Such holder or beneficial owner is not a member of the public in the Cayman Islands.

(xi) Such holder or beneficial owner agrees to be subject to the Bankruptcy Subordination Agreement.

(xii) Such holder or beneficial owner understands and agrees that such Notes or Subordinated Securities are from time to time and at any time limited recourse obligations of the Issuer (and, in the case of Co-Issued Debt, the Co-Issuer), payable solely from proceeds of the Assets available at such time in accordance with the Priority of Payments, and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer (and, in the case of Co-Issued Debt, the Co-Issuer) thereunder or in connection therewith after such realization will be extinguished and will not thereafter revive.

(j) Each Person who becomes an owner of a Certificated Note will be required to make the representations and agreements set forth in Exhibit B-2.

(k) Without limiting the foregoing, each transferee of ERISA Restricted Securities will be required to execute and deliver to the Issuer, the Paying Agent and, if applicable, the Fiscal Agent, a certificate (or, in the case of a purchaser on the Closing Date, a representation letter) substantially in the form of Exhibit B-3 attached hereto in which it will be required to agree that such transferee will not transfer its interest in the Subordinated Securities, as applicable, except in compliance with the transfer restrictions set forth in this Indenture (including the requirement that any subsequent transferee execute and deliver such letter as a condition to any subsequent transfer).

(l) [Reserved].

(m) Any purported transfer of (i) a Note not in accordance with this Section 2.6 or (ii) a Subordinated Security not in accordance with the provisions of this Section 2.6 that are applicable to the Subordinated Securities shall be null and void and shall not be given effect for any purpose whatsoever.

(n) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Collateral Trustee, impose additional transfer restrictions on the Notes or Subordinated Securities to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 or the Code and other similar laws or regulations, including, without limitation, requiring each transferee of a Note or a Subordinated Security to make representations to the Issuer in connection with such compliance.

(o) The Registrar, the Collateral Trustee and the Issuers shall be entitled to conclusively rely on the information set forth on the face of any purchaser, transferor and transferee certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Collateral Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.6 if the Collateral Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(p) For the avoidance of doubt, notwithstanding anything in this Indenture to the contrary, the Placement Agent may hold a position in a Regulation S Global Note prior to the distribution of the applicable Notes represented by such position.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuer, the Collateral Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuer, the Collateral Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuer, the Collateral Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuer shall execute and, upon Issuer Order, the Collateral Trustee shall authenticate, or cause the Authenticating Agent to authenticate, and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuer, the Transfer Agent and the Collateral Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuer, the Collateral Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuer in its discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuer may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Collateral Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuer and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts: Principal and Interest Rights Preserved. (a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof as of the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below; provided that any interest bearing Additional Debt issued after the Closing Date in accordance with the terms of this Indenture will accrue interest during the Interest Accrual Period in which such Additional Debt is issued from and including the applicable date of issuance of such Additional Debt to but excluding the last day of such Interest Accrual Period at the applicable Interest Rate for such Additional Debt; provided further that, with respect to any Interest Accrual Period during which a Re-Pricing has occurred, the applicable Interest Rate of any Re-Priced Class shall reflect the applicable Re-Pricing Rate from, and including, the applicable Re-Pricing Date. Payment of interest and distributions on each Class of Secured Debt and on the Subordinated Securities will be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A Notes, Class A-F Notes, Class A Loans or Class B Notes shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Debt of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Debt becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Secured Debt or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Secured Debt will be made in accordance with the Priority of Payments and Article IX.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an Internal Revenue Service Form W-9 (or applicable successor form) in the case of a United States person within the meaning of Section 7701(a)(30) of the Code or the applicable Internal Revenue Service Form W-8 (or applicable successor form) in the case of a Person that is not a United States person within the meaning of Section 7701(a)(30) of the Code) or other certification acceptable to it to enable the Issuers, the Collateral Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Secured Debt or the Holder or beneficial owner of such Secured Debt under any present or future law or regulation of the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required under Sections 1471-1474 of the Code to determine if the Issuers are subject to withholding or payments by the Issuers are subject to withholding. The Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Secured Debt as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Secured Debt. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuers or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States. Should any Holder fail for any reason to obtain and provide the Issuers and the Collateral Trustee with accurate or complete information or documentation described in the paragraph above or to the extent necessary or helpful (in the sole determination of the Issuers or the Collateral Trustee or their agents, as applicable) to achieve Tax Account Reporting Rules Compliance, or to update or correct such information or documentation, the Issuers shall have the right to withhold on passthru payments, principal and any other amounts payable in respect of the Secured Debt.

(e) Payments in respect of interest on and principal of any Secured Debt shall be made by the Collateral Trustee in Dollars to DTC or its designee with respect to a Global Note, to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by such Person, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, to the Holder or its nominee with respect to a Certificated Note; *provided* that in the case of a Certificated Note (1) the Holder thereof shall have provided written wiring instructions to the Collateral Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Secured Debt, the Holder thereof shall present and surrender such Secured Debt at the Corporate Trust Office of the Collateral Trustee or at the office of any Paying Agent on or prior to such Maturity; *provided* that if the Collateral Trustee and the Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuers or the Collateral Trustee that the applicable Secured Debt has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Issuers, the Collateral Trustee, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records (or for maintaining, supervising or reviewing such records) maintained by DTC, Euroclear, Clearstream or any of the Agent Members or any of their nominees relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Debt (other than on the Stated Maturity thereof), the Collateral Trustee, in the name and at the expense of the Issuers shall prior

to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register, a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$1,000 original principal amount of Secured Debt and the place where such Secured Debt may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Debt of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Debt of such Class on such Record Date. Payments to Holders of the Subordinated Securities shall be made to the Fiscal Agent for further distribution to the Holders of the Subordinated Securities in accordance with the Fiscal Agency Agreement.

(g) Interest accrued with respect to the Floating Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest on the Fixed Rate Debt will be calculated on the basis of a 360-day year divided into twelve (12) 30-day months.

(h) All reductions in the principal amount of a Secured Debt (or one or more predecessor Secured Debt) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Secured Debt and of any Secured Debt issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Secured Debt.

(i) Notwithstanding any other provision of this Indenture or the Credit Agreement, the obligations of the Issuers under the Co-Issued Debt and the Secured Debt or the Issuer under the Subordinated Securities and this Indenture and the Credit Agreement from time to time and at any time are limited recourse obligations of the Issuers or the Issuer (as applicable) payable solely from the Assets available at such time and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, manager, partner, member, employee, shareholder, authorized Person or incorporator of the Issuer, the Co-Issuer, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes, the Subordinated Securities, this Indenture or the Credit Agreement. It is understood that the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Secured Debt or secured by this Indenture or the Credit Agreement until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes, the Subordinated Securities, this Indenture or the Credit Agreement, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(j) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Applicable Issuer, the Collateral Trustee, the Fiscal Agent and any agent of the Applicable Issuer or the Collateral Trustee shall treat as the owner of each Secured Debt and Subordinated Securities the Person in whose name such Secured Debt or Subordinated Securities are registered on the applicable Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note or the Subordinated Securities and on, other than as otherwise expressly provided in this Indenture, any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Applicable Issuer, the Collateral Trustee, the Fiscal Agent or any agent of the Applicable Issuer or the Collateral Trustee shall be affected by notice to the contrary.

Section 2.10 Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly canceled by the Collateral Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment thereof) except for payment as provided herein, or for registration of transfer or exchange in accordance with an Optional Redemption, a Tax Redemption, Clean-Up Call Redemption, Special Redemption or a mandatory redemption pursuant to Section 9.1 (and, in the case of a Special Redemption or a mandatory redemption pursuant to Section 9.1, only to the extent that such Special Redemption or mandatory redemption results in the payment in full of the applicable Class of Notes), or for replacement in connection with any Note deemed lost or stolen. Any Notes surrendered for cancellation as permitted by this Section 2.10 shall, if surrendered to any Person other than the Collateral Trustee, be delivered to the Collateral Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Collateral Trustee shall be destroyed or held by the Collateral Trustee in accordance with its standard retention policy unless the Issuer shall direct by an Issuer Order received prior to destruction that they be returned to it. The Issuers are not permitted to repurchase any Notes; *provided* that such prohibition will not be deemed to limit the Issuer's rights or obligations relating to any redemption of the Notes permitted or required pursuant to this Indenture.

Section 2.11 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.6 of this Indenture and (B) either (x) (i) DTC notifies the Applicable Issuer that it is unwilling or unable to continue as depository for such Global Note, or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Issuer within 90 days after receiving notice of such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Collateral Trustee's Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuer shall execute and the Collateral Trustee shall authenticate, or cause the Authenticating Agent to authenticate, and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in sub-Section (a) of this Section 2.11, the Applicable Issuer will promptly make available to the Collateral Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Applicable Issuer to such beneficial owners of interests in Global Notes as required by sub-Section (a) of this Section 2.11, the Applicable Issuers expressly acknowledge that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Collateral Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership.

Neither the Collateral Trustee nor the Registrar shall be liable for any delay in the delivery of directions from the DTC, as depository, and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.12 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere herein, any transfer of a beneficial interest in any Note to a U.S. person that is not a QIB/QP shall be null and void and any such purported transfer of which the Issuer or the Collateral Trustee shall have notice may be disregarded by the Issuer and the Collateral Trustee for all purposes. In addition, the acquisition of Notes by a Non-Permitted Holder under Section 2.12(b) shall be null and void *ab initio*.

(b) If any U.S. person that is not a QIB/QP shall become the Holder or beneficial owner of an interest in any Note (other than a Regulation S Global Note) or any U.S. Person shall become the Holder of a Regulation S Global Note (any such Person a "Non-Permitted Holder"), the acquisition of Notes by such Holder shall be void *ab initio*. The Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such Person is a Non-Permitted Holder by the Issuer or the Collateral Trustee or upon notice to the Issuer from the Collateral Trustee (if a trust officer of the Collateral Trustee obtains actual knowledge, in which case, the Collateral Trustee agrees to notify the Issuer of such discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such Non-

Permitted Holder to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and sell such Notes to the highest such bidder; provided that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Collateral Manager and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any such sale shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Collateral Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor or Other Plan Law representation required by Section 2.6 that is subsequently shown to be false or misleading (any such Person a "Non-Permitted ERISA Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer or upon notice to the Issuer from the Collateral Trustee (if a Trust Officer of the Collateral Trustee has actual knowledge and who agrees to notify the Issuer upon obtaining actual knowledge), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Notes held by such Person to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. The holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this sub-Section shall be determined in the sole discretion of the Issuer, and none of the Issuers the Collateral Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(d) Each beneficial owner agrees (A) except as prohibited by applicable law, to obtain and provide the Issuer and the Collateral Trustee (including their agents and representatives), as applicable, with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer, the Collateral Trustee or their agents or representatives, as applicable) to achieve Tax Account Reporting Rules Compliance (the obligations undertaken pursuant to this clause (A), the "Holder Tax Obligations"), (B) that the Issuer and/or the Collateral Trustee or their agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to achieve Tax Account Reporting Rules Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with the Holder Tax Obligations, or the Issuer otherwise reasonably determines that such beneficial owner's direct or indirect acquisition, holding or transfer of an interest in such Notes would cause the Issuers to be unable to achieve Tax Account Reporting Rules Compliance, the Issuers shall have the right, in addition to withholding on passthru payments made to the applicable Holder of Notes or any agent or intermediary through which its Notes are held, to (x) compel it to sell its interest in such Notes, (y) after ten (10) Business Days' notice from the Issuer (or its agents) sell such interest on its behalf and/or (z) assign to such Notes a separate CUSIP or CUSIPs. Moreover, each such beneficial owner will agree, or be deemed to agree, to indemnify the Issuers, the Collateral Trustee and the other beneficial owners of Notes for all damages, costs and expenses that result from the failure of such Person to comply with its Holder Tax Obligations. This indemnification will continue even after the Person ceases to have an ownership interest in the Notes.

(e) If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.13 Treatment and Tax Certification. (a) The Issuers and the Collateral Trustee agree, and each Holder and each beneficial owner of Secured Debt or Subordinated Securities, by acceptance of such Secured Debt or Subordinated Securities or an interest in such Secured Debt or Subordinated Securities shall be deemed to have agreed, to treat, and shall treat, the Secured Debt or Subordinated Securities as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all United States federal, state and local income tax purposes and shall take no action inconsistent with such treatment unless required by law.

(b) Each Holder and beneficial owner of Secured Debt or Subordinated Securities, by acceptance of such Secured Debt or Subordinated Securities or an interest in such Secured Debt or Subordinated Securities, shall be deemed to understand and acknowledge that failure to provide the Applicable Issuer, the Collateral Trustee or any Paying Agent with the properly completed and

signed applicable tax certifications (generally, in the case of U.S. federal income tax, an Internal Revenue Service Form W-9 (or applicable successor form) in the case of a U.S. Person or the applicable Internal Revenue Service Form W-8 (or applicable successor form) in the case of a Person that is not a U.S. Person) may result in withholding from payments in respect of such Note or Subordinated Security, including U.S. federal withholding or back-up withholding.

(c) Each Holder and beneficial owner of Secured Debt or Subordinated Securities, by acceptance of such Secured Debt or Subordinated Securities or an interest in such Secured Debt or Subordinated Securities, shall be deemed to agree to provide the Issuer and the Collateral Trustee any U.S. federal income tax form, certification or other information or documentation that is required or is otherwise necessary (in the sole determination of the Issuers, the Collateral Trustee, or other agent of the Issuers, as applicable) (a) to enable the Issuers, the Collateral Trustee, or other agent of the Issuers to determine their duties and liabilities with respect to any taxes they may be required to withhold pursuant to the Code in respect of such Secured Debt or Subordinated Securities or the Holder of such Secured Debt or Subordinated Securities or beneficial interest therein, (b) to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which either Issuer receives payments on its assets, or (c) to enable the Issuers, the Collateral Trustee, or other agent of the Issuers to satisfy reporting and other obligations under the Code and Treasury regulations, including any cost basis reporting obligations. Each holder and beneficial owner of a Secured Debt or Subordinated Securities, by acceptance of such Secured Debt or Subordinated Securities or an interest in such Secured Debt or Subordinated Securities, shall be deemed to agree that the Issuers may provide such information and any other information concerning its investment in the Secured Debt or Subordinated Securities to the Internal Revenue Service. In addition, it understands and acknowledges that the Issuer has the right under this Indenture to withhold from any beneficial owner of an interest in a Note that fails to establish an exemption from U.S. federal withholding tax under Sections 1471 through 1474 of the Code.

ARTICLE III

CONDITIONS PRECEDENT

Section 3.1 Conditions to Issuance of Notes and Incurrence of Loans on Closing Date. The Notes to be issued and Class A Loans to be incurred on the Closing Date may be executed by the Applicable Issuer and delivered to the Collateral Trustee for authentication and thereupon the same shall be authenticated by the Collateral Trustee or the Authenticating Agent and delivered by the Collateral Trustee upon Issuer Order and upon receipt by the Collateral Trustee of the following:

(i) Officers' Certificate of the Issuers Regarding Corporate Matters. (III) in the case of any other Event of Default, a Majority of each Class of Secured Debt (voting separately by Class), in each case, by written notice to the Collateral Trustee, have agreed with such determination (which agreement shall not be unreasonably withheld, delayed or conditioned); or

(B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Debt will not be subject to acceleration by the Collateral Trustee solely as a result of the failure to pay any amount due on the Secured Debt that is not of the Controlling Class other than any failure to pay interest due on the Class B Notes.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Issuers will, upon demand of the Collateral Trustee, pay to the Collateral Trustee, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Trustee and its agents and counsel.

If the Issuers fail to pay such amounts forthwith upon such demand, the Collateral Trustee, in its own name and as trustee of an express trust, may, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Collateral Trustee may in its discretion, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Collateral Trustee shall deem most effectual (if no such direction is received by the Collateral Trustee) or as the Collateral Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement herein or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Trustee by this Indenture, the Credit Agreement or by law.

In case there shall be pending Proceedings relative to either of the Issuers or any other obligor upon the Secured Debt or Subordinated Securities under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer its respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer or other obligor upon the Secured Debt or Subordinated Securities, or the creditors or property of the Issuer or the Co-Issuer or such other obligor, the Collateral Trustee, regardless of whether the principal of any Secured Debt or Subordinated Securities shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Collateral Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal, interest and other distributions owing and unpaid in respect of the Secured Debt or Subordinated Securities upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Trustee (including any claim for reasonable compensation to the Collateral Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders allowed in any Proceedings relative to the Issuer or to the creditors or property of the Issuer;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Collateral Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders to make payments to the Collateral Trustee, and, if the Collateral Trustee shall consent to the making of payments directly to the Holders to pay to the Collateral Trustee such amounts as shall be sufficient to cover reasonable compensation to the Collateral Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Collateral Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or Subordinated Securities or any Holder thereof, or to authorize the Collateral Trustee to vote in respect of the claim of any Holders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Collateral Trustee on behalf of the Holders of the Secured Debt or Subordinated Securities (and any such Proceedings involving the interpretation of any provision of this Indenture or the Credit Agreement to which the Collateral Trustee shall be a party), the Collateral Trustee shall be held to represent all the Holders of the Secured Debt and Subordinated Securities.

Notwithstanding anything in this Section 5.3 to the contrary, the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Debt has been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuers agree that the Collateral Trustee may, and shall, subject to the terms of this Indenture (including Section 6.3(e)), upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt and Subordinated Securities or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Collateral Trustee and the Holders of the Secured Debt or Subordinated Securities hereunder (including exercising all rights of the Collateral Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Collateral Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the reasonable cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Debt or Subordinated Securities, which may be the Placement Agent, as to the feasibility of any action proposed to be taken in accordance with this [Section 5.4](#) and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in [Section 5.1\(d\)](#) hereof shall have occurred and be continuing the Collateral Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class (or, if the Class A Debt is the Controlling Class, and interest on the Class B Notes is due and unpaid, the Class B Notes) shall, subject to the terms of this Indenture (including [Section 6.3\(e\)](#)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any of the Holders of the Secured Debt or Subordinated Securities, the Collateral Trustee, the Collateral Manager, ORCC, the Collateral Administrator or any Affiliate of the Issuers may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale and applicable law (including the Advisers Act), may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Collateral Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Issuers, the Collateral Trustee and the Holders of the Secured Debt and Subordinated Securities, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) If an Event of Default has occurred and is continuing and the Collateral Trustee has directed or been directed to cause a liquidation of the Assets pursuant to this Indenture, ORCC shall have the right to make a contribution in an amount no less than would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Debt (including any amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap) and any due and unpaid Base Management Fee) and upon the making of such contribution, any such direction for liquidation shall be null and void and any liquidation procedures or auction shall be terminated.

(e) Notwithstanding any other provision of this Indenture, none of the Collateral Trustee, the Secured Parties or the Holders may, prior to the date which is one year and one day (or if longer, any applicable preference period *plus* one day) after the payment in full of all Secured Debt and Subordinated Securities, institute against, or join any other Person in instituting against, the Issuer or the Co-Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other similar Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Collateral Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, liquidation or similar Proceeding.

(f) In the event one or more Holders or beneficial owners of Secured Debt or Subordinated Securities cause the filing of a petition in bankruptcy against the Issuer in violation of the prohibition described in Section 5.4(d) above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Debt that does not seek to cause any such filing, with such subordination being effective until each Secured Debt held by each Holder or beneficial owner of any Secured Debt that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement". The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code. The Collateral Trustee shall be entitled to rely upon an issuer order from the Issuer with respect to the payment of amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(f).

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein (but subject to the right of the Collateral Manager to direct the Collateral Trustee to sell Collateral Obligations or Equity Securities in strict compliance with Section 12.1), if an Event of Default shall have occurred and be continuing, the Collateral Trustee shall retain the Assets securing the Secured Debt intact, collect and cause the collection of the proceeds thereof and make and apply all payments at the date or dates fixed by the Collateral Trustee and deposit and maintain all accounts in respect of the Assets, the Secured Debt and the Subordinated Securities in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Collateral Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest, and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Debt (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap) and due and unpaid Base Management Fees) and a Majority of the Controlling Class agrees with such determination and directs the sale and liquidation of the Assets;

(ii) in the case of an Event of Default specified in (A) Section 5.1(a) due to failure to pay interest on the Class A Debt or the Class B Notes in accordance with Section 11.1(a)(i) or Section 11.1(a)(ii), (B) Section 5.1(a) due to failure to pay interest on the Class A Debt in accordance with Section 11.1(a)(iii), or (C) Section 5.1(e), the Holders of at least a Majority of the Class A Debt direct the sale and liquidation of the Assets (in each case without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default); or

(iii) if the Class A Debt is no longer Outstanding, or in the case of any other Event of Default not specified in clause (ii), the Holders of at least a Majority of each Class of Secured Debt (voting separately by Class) direct the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii) or (iii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i), (ii) or (iii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to preserve the Assets securing the Secured Debt if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each Asset from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such Assets and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Asset. In the event that the Collateral Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to each Asset from one nationally recognized dealer at the time making a market in such Assets, the Collateral Trustee shall compute the anticipated proceeds of the sale or liquidation on the basis of such one bid price for each such Asset. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Collateral Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Collateral Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Collateral Trustee retains the Assets pursuant to Section 5.5(a)(i).

The Collateral Trustee shall deliver written notice to the Issuers, the Collateral Manager, the Loan Agent and the Rating Agency upon receipt of direction pursuant to ~~Section 5.5(a)(i), (ii) or (iii)~~ to liquidate and sell the Assets.

Section 5.6 Collateral Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Debt may be prosecuted and enforced by the Collateral Trustee without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Collateral Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Collateral Trustee with respect to the Secured Debt pursuant to this Article V and any Money that may then be held or thereafter received by the Collateral Trustee with respect to the Secured Debt hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Collateral Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(a) and Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Secured Debt or Subordinated Securities shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, the Credit Agreement, the Fiscal Agency Agreement, or any Note or Subordinated Security, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given to the Collateral Trustee written notice of an Event of Default;
- (b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Secured Debt of the Controlling Class (or, if the Class A Debt is the Controlling Class and interest on the Class B Notes is due and unpaid, the Class B Notes) shall have made written request to the Collateral Trustee to institute Proceedings in respect of such Event of Default in its own name as Collateral Trustee hereunder and such Holder or Holders have provided the Collateral Trustee indemnity reasonably satisfactory to the Collateral Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request;
- (c) the Collateral Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and
- (d) no direction inconsistent with such written request has been given to the Collateral Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Secured Debt or Subordinated Securities shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Secured Debt or Subordinated Securities of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Secured Debt or Subordinated Securities of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Secured Debt or Subordinated Securities of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Collateral Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class (or from the Holders of the Class B Notes where permitted herein), each representing less than a Majority of the Controlling Class, the Collateral Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Collateral Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Holders to Receive Principal, Interest and other Distributions. Subject to Section 2.8(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt or distributions on the Subordinated Securities, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt or Subordinated Securities ranking junior to Secured Debt still Outstanding (except for the Holders of the Class B Notes as set forth in Section 5.8(b)) shall have no right to institute Proceedings to request the Collateral Trustee to institute proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt or Subordinated Securities remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Collateral Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Collateral Trustee or to such Holder, then and in every such case the Issuers, the Collateral Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Issuers, Collateral Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Collateral Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Collateral Trustee or any Holder of Secured Debt or Subordinated Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Collateral Trustee or to the Holders of the Secured Debt or Subordinated Securities may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Trustee or by the Holders of the Secured Debt or Subordinated Securities, as applicable.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee or exercising any trust or power conferred upon the Collateral Trustee under this Indenture; provided that:

- (a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;
- (b) the Collateral Trustee may take any other action deemed proper by the Collateral Trustee that is not inconsistent with such direction *provided* that subject to Section 6.1, the Collateral Trustee need not take any action that it determines might involve it in liability or expense (unless the Collateral Trustee has received the indemnity as set forth in (c) below);
- (c) the Collateral Trustee shall have been provided with an indemnity reasonably satisfactory to it; and
- (d) notwithstanding the foregoing, any direction to the Collateral Trustee to undertake a Sale of the Assets shall be by the Holders of Secured Debt or Subordinated Securities representing the requisite percentage of the Aggregate Outstanding Amount of Secured Debt or Subordinated Securities specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Secured Debt and Subordinated Securities waive any past Default or Event of Default and its consequences, except a Default:

- (a) in the payment of the principal of any Secured Debt or Subordinated Securities (which may be waived only with the consent of the Holder of such Secured Debt or Subordinated Securities);
- (b) in the payment of interest on any Secured Debt (which may be waived only with the consent of the Holder of such Secured Debt);
- (c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Secured Debt or Subordinated Securities materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.19 (which may be waived only by a Majority of the Controlling Class if the S&P Rating Condition is satisfied).

In the case of any such waiver, the Issuers, the Collateral Trustee and the Holders of the Secured Debt or Subordinated Securities shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Collateral Trustee shall promptly give written notice of any such waiver to the Rating Agency, the Collateral Manager and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Secured Debt or Subordinated Securities by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Collateral Trustee for any action taken, or omitted by it as Collateral Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Collateral Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Secured Debt on or after the applicable Stated Maturity (or, in the case of redemption which has resulted in an Event of Default, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Issuers covenant (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants set forth in, the performance of, or any remedies under this Indenture; and the Issuers (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Collateral Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Collateral Trustee may upon notice to the Holders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Collateral Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Collateral Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Collateral Trustee may bid for and acquire any portion of the Assets on behalf of the Holders in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Collateral Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Secured Debt. The Collateral Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Collateral Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Collateral Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Collateral Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Collateral Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18 Action on the Notes. The Collateral Trustee's right to seek and recover judgment on the Secured Debt or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Collateral Trustee or the Holders shall be impaired by the recovery of any judgment by the Collateral Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Collateral Trustee:

(i) the Collateral Trustee undertakes to perform such duties and only such duties as are specifically set forth herein and the Credit Agreement, and no implied covenants or obligations shall be read into this Indenture against the Collateral Trustee; and

(ii) in the absence of bad faith on its part, the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Collateral Trustee and conforming to the requirements of this Indenture or the Credit Agreement; provided that in the case of any such certificates or opinions which by any provision hereof or of the Credit Agreement are specifically required to be furnished to the Collateral Trustee, the Collateral Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture or the Credit Agreement and shall promptly, but in any event within three (3) Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Collateral Trustee within 15 days after such notice from the Collateral Trustee, the Collateral Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Collateral Trustee has occurred and is continuing, the Collateral Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(c) No provision of this Indenture or the Credit Agreement shall be construed to relieve the Collateral Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-Section shall not be construed to limit the effect of sub-Section (a) of this Section 6.1;

(ii) the Collateral Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Collateral Trustee was negligent in ascertaining the pertinent facts;

(iii) the Collateral Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuers or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee, or exercising any trust or power conferred upon the Collateral Trustee, under this Indenture;

(iv) no provision of this Indenture or the Credit Agreement shall require the Collateral Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under this Indenture; and

(v) in no event shall the Collateral Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Collateral Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Collateral Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (e), (f), or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Collateral Trustee at the Corporate Trust Office, and such notice references the Secured Debt and Subordinated Securities generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Collateral Trustee's responsibility and liability hereunder, whenever reference is made herein to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Collateral Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Collateral Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" has occurred, the Collateral Trustee shall, not later than two (2) Business Days thereafter, forward such notice to the Holders (as their names appear in the Register) and the Rating Agency.

(d) as a condition to the taking or omitting of any action by it hereunder, the Collateral Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Collateral Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Collateral Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Collateral Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Collateral Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of the Rating Agency shall (subject to the right hereunder to be reasonably satisfactorily indemnified for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Collateral Trustee shall be entitled, on reasonable prior notice to the Issuers and the Collateral Manager, to examine the books and records relating to the Secured Debt, the Subordinated Securities and the Assets, personally or by agent or attorney, during the Issuers' or the Collateral Manager's normal business hours; *provided* that the Collateral Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory, administrative or governmental authority and (ii) to the extent that the Collateral Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided further* that the Collateral Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Collateral Trustee may execute any of the trusts or powers hereunder or under the Credit Agreement or perform any duties hereunder either directly or by or through agents or attorneys *provided* that the Collateral Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed or attorney appointed, with due care by it hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Collateral Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer, the Co-Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein or in the Collateral Administration Agreement);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Collateral Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Collateral Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants identified in the Accountants' Report (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Collateral Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Collateral Trustee), DTC, Euroclear, Clearstream, or any other clearing agency or depository and without limiting the foregoing, the Collateral Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Collateral Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(m) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Loan Agent, Custodian, Calculation Agent, Collateral Administrator or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Article VI or the Credit Agreement shall also be afforded to the Bank acting in such capacities; *provided* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Securities Account Control Agreement, the Collateral Administration Agreement or any other documents to which the Bank in such capacity is a party;

(n) any permissive right of the Collateral Trustee to take or refrain from taking actions enumerated herein or in the Credit Agreement shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Collateral Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) except as otherwise provided herein, the Collateral Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Collateral Trustee at the Corporate Trust Office and such notice references the Secured Debt and the Subordinated Securities generally, the Issuer or this Indenture. Whenever reference is made herein to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Collateral Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Collateral Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Collateral Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(r) to help fight the funding of terrorism and money laundering activities, the Collateral Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Collateral Trustee. The Collateral Trustee will ask for the name, address, tax identification number and other information that will allow the Collateral Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Collateral Trustee may also ask for formation documents such as organizational documents, an offering memorandum, or other identifying documents to be provided;

(s) in making or disposing of any investment permitted by this Indenture, the Collateral Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Collateral Trustee or for any third party or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(t) the Collateral Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Collateral Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. The Collateral Trustee shall not be accountable for the use or application by the Issuer of the Secured Debt or the proceeds thereof or any Money paid to the Issuer pursuant to the provisions hereof.

Section 6.5 May Hold Secured Debt or Subordinated Securities. The Collateral Trustee, any Paying Agent, Registrar or any other agent of the Issuers, in its individual or any other capacity, may become the owner or pledgee of Secured Debt or Subordinated Securities and may otherwise deal with the Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Collateral Trustee hereunder shall be held in trust to the extent required herein. The Collateral Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Collateral Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Collateral Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule delivered to the Issuer in connection with this Indenture, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Collateral Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Collateral Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Collateral Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Collateral Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Collateral Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorneys' fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Collateral Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Collateral Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which the Collateral Trustee is a party only as provided in Sections 11.1(a)(i), (ii) and (iii) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Collateral Trustee shall continue to serve as Collateral Trustee under this Indenture notwithstanding the fact that the Collateral Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Collateral Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Collateral Trustee to collect amounts owed to it under this Indenture. If, on any date when a fee or an expense shall be payable to the Collateral Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Collateral Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Collateral Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or, if longer, the applicable preference period then in effect, after the payment in full of all Secured Debt issued under this Indenture.

(d) The Issuer's payment obligations to the Collateral Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Collateral Trustee.

(e) Without limiting Section 5.4, the Collateral Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer on its own behalf or on behalf of the Secured Parties until at least one year (or, if longer, the applicable preference period) plus one day after the payment in full of all of the Secured Debt.

Section 6.8 Corporate Trustee Required: Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a long-term debt rating of at least "BBB+" by S&P and having an office within the United States, and who makes the representations contained in Section 6.17. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Collateral Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal: Appointment of Successor. (a) No resignation or removal of the Collateral Trustee and no appointment of a successor Collateral Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Collateral Trustee under Section 6.10.

(b) Subject to Section 6.9(a), the Collateral Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Issuers, the Collateral Manager, the Holders of the Secured Debt and Subordinated Securities and the Rating Agency. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by a Responsible Officer of the Issuer, one copy of which shall be delivered to the Collateral Trustee so resigning and one copy to the successor Collateral Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; *provided* that such successor Collateral Trustee shall be appointed only upon the Act of a Majority of the Secured Debt of each Class and a Majority of the Subordinated Security or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class. If no successor Collateral Trustee shall have been appointed and an instrument of acceptance by a successor Collateral Trustee shall not have been delivered to the Collateral Trustee within 30 days after the giving of such notice of resignation, the resigning Collateral Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee satisfying the requirements of Section 6.8.

(c) The Collateral Trustee may be removed at any time upon 30 days written notice by an act of a Majority of the Controlling Class and a Majority of the Subordinated Securities or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Collateral Trustee and to the Issuer.

(d) If at any time:

(i) the Collateral Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer or by any Holder; or

(ii) the Collateral Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Collateral Trustee or of its property shall be appointed or any public officer shall take charge or control of the Collateral Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuer, by Issuer Order, may remove the Collateral Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Collateral Trustee and the appointment of a successor Collateral Trustee.

(e) If the Collateral Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Collateral Trustee for any reason (other than resignation), the Issuer, by Issuer Order, shall promptly appoint a successor Collateral Trustee. If the Issuer shall fail to appoint a successor Collateral Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Collateral Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Collateral Trustee. The successor Collateral Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Collateral Trustee and supersede any successor Collateral Trustee proposed by the Issuer. If no successor Collateral Trustee shall have been so appointed by the Issuer or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the Collateral Trustee or any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee.

(f) The Issuer shall give prompt notice of each resignation and each removal of the Collateral Trustee and each appointment of a successor Collateral Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, to the Rating Agency and to the Holders of the Secured Debt or Subordinated Securities as their names and addresses appear in the Register. Each notice shall include the name of the successor Collateral Trustee and the address of its Corporate Trust Office. If the Issuer fails to mail such notice within ten days after acceptance of appointment by the successor Collateral Trustee, the successor Collateral Trustee shall cause such notice to be given at the expense of the Issuer.

Section 6.10 Acceptance of Appointment by Successor. Every successor Collateral Trustee appointed hereunder shall meet the requirements of Section 6.8, shall make the representations and warranties contained in Section 6.17, and shall execute, acknowledge and deliver to the Issuer and the retiring Collateral Trustee an instrument accepting such appointment. In addition, so long as the retiring Collateral Trustee is the same institution as the Collateral Administrator, unless otherwise agreed to in writing by the Issuer, the successor and the retiring institutions, such successor Collateral Trustee shall automatically become, and hereby so agrees to be, the Collateral Administrator pursuant to Section 9(f) of the Collateral Administration Agreement and shall assume the duties of the Collateral Administrator under the terms and conditions of the Collateral Administration Agreement in its acceptance of appointment as successor Collateral Trustee until such time, if any, as it is replaced as Collateral Administrator by the Issuer pursuant to the Collateral Administration Agreement. Upon delivery of the required instruments, the resignation or removal of the retiring Collateral Trustee shall become effective and such successor Collateral Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Collateral Trustee; but, on request of the Issuer or a Majority of any Class of Secured Debt or a Majority of the Subordinated Securities or the successor Collateral Trustee or successor Collateral Administrator, as applicable, such retiring Collateral Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Collateral Trustee all the rights, powers and trusts of the retiring Collateral Trustee, and shall duly assign, transfer and deliver to such successor Collateral Trustee all property and Money held by such retiring Collateral Trustee hereunder. Upon request of any such successor Collateral Trustee, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Collateral Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Collateral Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Collateral Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Collateral Trustee, shall be the successor of the Collateral Trustee hereunder; *provided* that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Collateral Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Collateral Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, the Issuer and the Collateral Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to the satisfaction of the S&P Rating Condition), jointly with the Collateral Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Issuer shall join with the Collateral Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer does not join in such appointment within 15 days after the receipt by them of a request to do so, the Collateral Trustee shall have the power to make such appointment.

Should any written instrument from the Issuer be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer. The Issuer agrees to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder, shall be exercised solely by the Collateral Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Collateral Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Collateral Trustee or by the Collateral Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Collateral Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Collateral Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

-
- (d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Collateral Trustee hereunder;
 - (e) the Collateral Trustee shall not be liable by reason of any act or omission of a co-trustee; and
 - (f) any Act of the Holders delivered to the Collateral Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify the Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds and the Assets. If the Collateral Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Collateral Trustee shall promptly notify the Issuer and the Collateral Manager in writing and (b) unless within three (3) Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Collateral Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Collateral Trustee in accordance with Section 10.2(a), the Collateral Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Document or a paying agent designated by either of them, as the case may be, to make such payment not later than three (3) Business Days after the date of such request. If such payment is not made within such time period, the Collateral Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement or under this Indenture, such release shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Collateral Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Collateral Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Reasonably promptly after receipt thereof, the Collateral Trustee will notify and provide to the Collateral Manager on behalf of the Issuer a copy of any documents, financial reports, legal opinions or any other information including, without limitation, any notices, reports, requests for waiver, consent requests or any other requests or communications relating to the Assets or any Obligor or to actions affecting the Assets or any Obligor. Upon reasonable request by the Collateral Administrator or the Collateral Manager, the Collateral Trustee further agrees to provide to the requesting Person from time to time, on a timely basis, any information in its possession relating to the Collateral Obligations, the Equity Securities and the Eligible Investments as requested so as to enable the requesting Person to perform its duties hereunder, under the Collateral Administration Agreement or under the Collateral Management Agreement, as applicable.

Section 6.14 Authenticating Agents. Upon the request of the Applicable Issuer, the Collateral Trustee shall, and if the Collateral Trustee so chooses the Collateral Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, incurrence, transfers and exchanges under Sections 2.4, 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Collateral Trustee.

Any Person into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any Person succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Collateral Trustee and the Applicable Issuer. The Collateral Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Applicable Issuer. Upon receiving such notice of resignation or upon such a termination, the Collateral Trustee shall, upon the written request of the Applicable Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Applicable Issuer.

Unless the Authenticating Agent is also the same entity as the Collateral Trustee, the Applicable Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Secured Debt, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Collateral Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer (but such authorization shall not prevent the Collateral Trustee from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings) or may be withheld because of a failure by a Holder to provide any information required under Sections 1441, 1445 and 1471-1474 of the Code or any other provisions of any applicable law and to timely remit such amounts to the appropriate taxing authority; provided, for the avoidance of doubt, that whether the Trustee may make a payment in respect of an obligation imposed by Section 6225 of the Code, and the consequences of such a payment, are governed by Section 7.17(l). The amount of any withholding tax imposed with respect to any Secured Debt shall be

treated as Cash distributed to the relevant Holder at the time it is withheld by the Collateral Trustee. If there is a possibility that withholding tax is payable with respect to a distribution, the Paying Agent or the Collateral Trustee may, in its sole discretion, withhold such amounts in accordance with this [Section 6.15](#). If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Collateral Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Collateral Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Collateral Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the any Class of Secured Debt. This [Section 6.15](#) shall be interpreted and applied in a manner consistent with [Section 7.17\(l\)](#).

[Section 6.16 Fiduciary for Holders Only; Agent for each other Secured Party](#). With respect to the security interest created hereunder, the delivery of any item of Asset to the Collateral Trustee is to the Collateral Trustee as representative of the Holders and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Collateral Trustee of any Asset, and the endorsement to or registration in the name of the Collateral Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Collateral Trustee in its capacity as representative of the Holders, and agent for each other Secured Party.

[Section 6.17 Representations and Warranties of the Bank](#). The Bank hereby represents and warrants as follows, in its individual capacity and in its capacities as described below (and any Person that becomes a successor Collateral Trustee pursuant to [Sections 6.9, 6.10, or 6.11](#) or a co-trustee pursuant to [Section 6.12](#) represents and warrants as follows in its individual capacity and in its capacity as Collateral Trustee where applicable):

(a) [Organization](#). The Bank has been duly organized and is validly existing as a trust company with trust powers under the laws of the Commonwealth of Massachusetts and has the power to conduct its business and affairs as a trustee, paying agent, loan agent, registrar, transfer agent, custodian, calculation agent and securities intermediary.

(b) [Authorization; Binding Obligations](#). The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Loan Agent, Registrar, Transfer Agent, Custodian, Calculation Agent and Securities Intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) [Eligibility](#). The Bank is eligible under [Section 6.8](#) to serve as Collateral Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

(e) Ownership of Secured Debt or Subordinated Securities. On the date of its appointment as Collateral Trustee, the Collateral Trustee does not own any Secured Debt or Subordinated Securities and has no present intention of acquiring any Secured Debt or Subordinated Securities although it is not restricted from doing so in the future as provided in Section 6.5.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Issuer will duly and punctually pay the principal of and interest on the Secured Debt, in accordance with the terms of such Secured Debt and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Securities, in accordance with this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under Secured Debt or Subordinated Securities shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

The Issuer hereby provides notice to each Holder that the failure of such Holder to provide appropriate tax certifications and information or documentation necessary to achieve Tax Account Reporting Rules Compliance may result in amounts being withheld from payments to such Holder under this Indenture; *provided* that amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Applicable Issuer as provided in the preceding sentence.

Section 7.2 Maintenance of Office or Agency. The Issuers hereby appoint the Collateral Trustee as a Paying Agent for payments or distributions on the Secured Debt, and appoint the Collateral Trustee as Transfer Agent at its applicable Corporate Trust Office as the Issuer's agent where Secured Debt may be surrendered for registration of transfer or exchange.

The Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes and no paying agent shall be appointed in a jurisdiction which subjects payments or distributions on the Secured Debt to withholding tax solely as a result of such Paying Agent's activities. The Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Issuers shall give prompt written notice to the Collateral Trustee, the Loan Agent, the Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuers shall fail to maintain any such required office or agency, or shall fail to furnish the Collateral Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph), notices and demands may be served on the Issuers, and Secured Debt may be presented and surrendered for payment to the Collateral Trustee at its main office, and the Issuers hereby appoint the same as its agent to receive such respective presentations, surrenders, notices and demands.

The Issuers shall maintain and implement administrative and operating procedures reasonably necessary in the performance of their obligations hereunder, and the Issuer shall keep and maintain or cause the Administrator to keep or maintain at all times, or cause to be kept and maintained at all times in the Cayman Islands, all documents, books, records, accounts and other information as are required under the laws of the Cayman Islands.

The Issuers shall maintain an Issuers' Notice Agent at all times. If at any time the Issuers fail to maintain any such required office or agency in the United States, or fail to furnish the Collateral Trustee with the address thereof, notices and demands may be served directly on the Issuers. For the avoidance of doubt, notices to the Issuers under the Transaction Documents shall be delivered in accordance with [Section 14.3](#).

Section 7.3 [Money for Note Payments to be Held in Trust](#). All payments of amounts due and payable with respect to any Secured Debt and Subordinated Securities that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer (and, in the case of the Co-Issued Debt, the Issuers) by the Collateral Trustee or a Paying Agent with respect to payments or distributions on the Secured Debt and Subordinated Securities.

When the Issuers shall have a Paying Agent that is not also the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Issuers shall have a Paying Agent other than the Collateral Trustee, the Issuers shall, on or before the Business Day next preceding each Payment Date and on any Redemption Date, as the case may be, direct the Collateral Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Collateral Trustee) the Issuers shall promptly notify the Collateral Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Collateral Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Secured Debt and Subordinated Securities with respect to which such deposit was made shall be paid over by such Paying Agent to the Collateral Trustee for application in accordance with [Article XI](#).

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Collateral Trustee *provided* that, with respect to any additional or successor Paying Agent, (x) so long as the Notes of any Class are rated by S&P either (i) such Paying Agent has a long-term debt rating of "A+" or higher by S&P or a short-term debt rating of "A-1" by S&P or (ii) the S&P Rating Condition is satisfied. If such successor Paying Agent ceases to have any such minimum rating specified in clause (i) of the immediately preceding sentence, the Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Issuers shall cause each Paying Agent other than the Collateral Trustee to execute and deliver to the Collateral Trustee an instrument in which such Paying Agent shall agree with the Collateral Trustee and if the Collateral Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

- (a) allocate all sums received for payment to the Holders of Secured Debt or Subordinated Securities for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Persons in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;
- (b) hold all sums held by it for the payment of amounts due with respect to the Secured Debt or Subordinated Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;
- (c) if such Paying Agent is not the Collateral Trustee, immediately resign as a Paying Agent and forthwith pay to the Collateral Trustee all sums held by it in trust for the payment of the Secured Debt or Subordinated Securities if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;
- (d) if such Paying Agent is not the Collateral Trustee, immediately give the Collateral Trustee notice of any default by the Issuer in the making of any payment required to be made; and
- (e) if such Paying Agent is not the Collateral Trustee, during the continuance of any such default, upon the written request of the Collateral Trustee, forthwith pay to the Collateral Trustee all sums so held in trust by such Paying Agent.

The Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Collateral Trustee all sums held in trust by the Issuers or such Paying Agent, such sums to be held by the Collateral Trustee upon the same trusts as those upon which such sums were held by the Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Collateral Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Collateral Trustee or any Paying Agent in trust for any payment on any Secured Debt or Subordinated Securities and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Secured Debt or Subordinated Securities shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Collateral Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Collateral Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Secured Debt or Subordinated Securities been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of the Issuers. (a) Each of the Issuer and Co-Issuer shall take all reasonable steps to maintain its identity as a separate legal entity from that of its shareholders or members, as applicable. Each of the Issuer and the Co-Issuer shall keep its registered office or principal place of business (as the case may be) in the same city, state and country indicated in the address specified in Section 14.3. Each of the Issuer and the Co-Issuer shall keep separate books and records and shall not commingle its respective funds with those of any other Person. The Issuer and the Co-Issuer shall keep in full force and effect their rights and franchises as a company incorporated under the laws of the Cayman Islands and as a limited liability company organized under the laws of the State of Delaware, respectively, shall comply with the provisions of their respective Organizational Documents and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Secured Debt or Subordinated Securities or any of the Assets; *provided, however*, that, subject to Cayman Islands law, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer and approved by a Majority of the Subordinated Securities, so long as (i) the Issuer has received an Opinion of Counsel (upon which the Collateral Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Collateral Trustee by the Issuer, which notice shall be promptly forwarded by the Collateral Trustee to the Holders, the Collateral Manager and the Rating Agency, (iii) the S&P Rating Condition is satisfied and (iv) on or prior to the 15th Business Day following receipt of such notice the Collateral Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) Each of the Issuer and the Co-Issuer shall (i) ensure that all corporate (or, in the case of the Co-Issuer, limited liability company) or other formalities regarding its existence (including, to the extent required by applicable law, holding regular board of directors', partners', member's, manager and shareholders' or other similar meetings) are followed, (ii) conduct business in its own name, (iii) correct any known misunderstanding as to its separate existence, (iv) maintain separate financial statements (if any), (v) maintain an arm's-length relationship with any Affiliates, (vi) maintain adequate capital in light of its contemplated business operations and (vii) not commingle its funds with those of any other entity. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the

foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any subsidiaries necessitated by a change of jurisdiction pursuant to clause (a), subject to satisfaction of the S&P Rating Condition in the case of such clause (a)), (ii) the Co-Issuer shall not have any subsidiaries and (iii) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, manager and officers), (B) engage in any transaction with any shareholder, member or partner that would constitute a conflict of interest (*provided* that each Transaction Document shall not be deemed to be such a transaction that would constitute a conflict of interest) or (C) pay dividends or make distributions to its owners other than in accordance with the provisions of this Indenture.

(c) The Co-Issuer will at all times have at least one Independent manager under the Limited Liability Company Agreement.

Section 7.5 Protection of Assets. (a) The Collateral Manager on behalf of the Issuer will cause the taking of such action within the Collateral Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Collateral Trustee in the Assets; *provided* that the Collateral Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Debt or Subordinated Securities hereunder and to:

- (i) grant more effectively all or any portion of the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Assets or other instruments or property included in the Assets;
- (v) preserve and defend title to the Assets and the rights therein of the Collateral Trustee, for the benefit of the Secured Parties, in the Assets against the claims of all Persons and parties; or

(vii) for so long as all the Subordinated Securities and other interests treated as equity in the Issuer are held by a Sole Equity Owner, cause such Sole Equity Owner to deliver or cause to be delivered an applicable U.S. Internal Revenue Service Form W-9 or successor applicable form and if reasonably able to do so, other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable governmental authority, and enter into any agreements with a governmental authority, as necessary to permit the Issuer to receive payments without withholding or deduction or at a reduced rate of withholding or deduction.

The Issuer hereby designates the Collateral Trustee as its agent and attorney in fact to prepare and file and hereby authorizes the filing of any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Collateral Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's counsel to file without the Issuer's signature an initial Financing Statement on the Closing Date that names the Issuer as debtor and the Collateral Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired" as the Assets in which the Collateral Trustee has a Grant.

(b) The Collateral Trustee shall not, except in accordance with Section 5.5 or Section 10.8(a), (b) and (c), as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Collateral Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(iii)) unless the Collateral Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

On or before December 31st in each calendar year, commencing in 2020, the Issuer shall furnish to the Collateral Trustee and the Rating Agency an Opinion of Counsel relating to the continued perfection of the security interest granted by the Issuer to the Collateral Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain perfected and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued perfection of such lien over the next year.

(ii) the Rating Agency shall have been notified in writing of such consolidation or merger and the S&P Rating Condition shall have been satisfied;

(iii) if the Issuer is not the surviving entity, the Person formed by such consolidation or into which the Issuer is merged or to which the properties and assets of the Issuer are transferred substantially as an entirety shall have agreed with the Collateral Trustee (A) if the formed or surviving Person is a company, to observe the same legal requirements for the recognition of such company as a legal entity separate and apart from any of its Affiliates as are applicable to the Issuer with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or convey or transfer the Assets or its assets substantially as an entirety to any other Person except in accordance with the provisions of this [Section 7.10](#);

(iv) if the Issuer is not the surviving entity, the Person formed by such consolidation or into which the Issuer is merged or to which the properties and assets of the Issuer are transferred substantially as an entirety shall have delivered to the Collateral Trustee and the Rating Agency an Officer's Certificate and an Opinion of Counsel, each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which it is organized; that it has sufficient power and authority to assume the obligations set forth in paragraph (i) above and to execute and deliver an indenture supplemental hereto and an omnibus assumption agreement for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto and an omnibus assumption agreement for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and such other matters as the Collateral Trustee may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Collateral Trustee to require any other matters to be covered; provided that, immediately following the event which causes such Person to become the successor to the Issuer, (A) such Person has good and marketable title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Collateral and (B) the Collateral Trustee continues to have a valid perfected security interest in the Collateral that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable; and (C) such Person will not be subject to U.S. net income tax;

(v) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(vi) the Issuer shall have notified the Rating Agency of such consolidation, merger, conveyance or transfer and shall have delivered to the Collateral Trustee for transmission to each Holder an Officer's Certificate (based upon the advice of counsel), stating that such consolidation, merger, conveyance or transfer and such supplemental indenture comply with this [Section 7.10](#), that all conditions in this [Section 7.10](#) have been satisfied and that no adverse U.S. federal or Cayman Islands tax consequences (relative to the tax consequences of not effecting the transaction) shall result therefrom to the Issuer or the Holders of the Secured Debt or Subordinated Securities;

(vii) after giving effect to such transaction, neither of the Issuers nor the pool of Assets will be required to register as an investment company under the Investment Company Act; and

(viii) after giving effect to such transaction, the outstanding interests in the Co-Issuer will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person and the Issuer will not be a U.S. Person.

(b) The Co-Issuer shall not consolidate or merge with or into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person unless:

(i) the Co-Issuer shall be the surviving entity, or the Person (if other than the Co-Issuer) formed by such consolidation or into which the Co-Issuer is merged or to which the properties and assets of the Co-Issuer are transferred shall be a limited purpose organization organized and existing under the laws of the State of Delaware or such other jurisdiction approved by a Majority of the Controlling Class and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Collateral Trustee, the due and punctual payment of the principal of and interest on all Co-Issued Debt and the performance of every covenant of this Indenture on the part of the Co-Issuer to be performed or observed, all as provided herein;

(ii) the Rating Agency shall have been notified in writing of such consolidation or merger and the S&P Rating Condition shall have been satisfied;

(iii) if the Co-Issuer is not the surviving entity, the Person formed by such consolidation or into which the Co-Issuer is merged or to which the properties and assets of the Co-Issuer are transferred substantially as an entirety shall have agreed with the Collateral Trustee (A) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Co-Issuer with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or convey or transfer its assets substantially as an entirety to any other Person except in accordance with the provisions of this [Section 7.10](#);

(iv) if the Co-Issuer is not the surviving entity, the Person formed by such consolidation or into which the Co-Issuer is merged or to which the properties and assets of the Co-Issuer are transferred substantially as an entirety shall have delivered to the Collateral Trustee and the Rating Agency an Officer's Certificate and an Opinion of Counsel, each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in paragraph (i) above and to execute and deliver

an indenture supplemental hereto and an omnibus assumption agreement for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto and an omnibus assumption agreement for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); and such other matters as the Collateral Trustee may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Collateral Trustee to require any such other matters to be covered;

(v) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(vi) the Co-Issuer shall have notified the Rating Agency of such consolidation, merger, conveyance or transfer and shall have delivered to the Collateral Trustee and each Holder of a Co-Issued Debt an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance or transfer and such supplemental indenture comply with this Section 7.10, that all conditions in this Section 7.10 have been satisfied and that no adverse U.S. federal or Cayman Islands tax consequences will result therefrom to the Co-Issuer or the Holders of the Co-Issued Debt;

(vii) after giving effect to such transaction, neither of the Issuers nor the pool of Assets will be required to register as an investment company under the Investment Company Act;

(viii) after giving effect to such transaction, the outstanding ownership interests in the Co-Issuer will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person; and

(ix) the conditions specified in Section 7.17(a) are satisfied.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the properties and assets of the Issuer or the Co-Issuer substantially as an entity in accordance with Section 7.10, the Person formed by or surviving such consolidation or merger (if other than the Issuer or the Co-Issuer), or the Person to which such consolidation, merger, conveyance or transfer is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Co-Issuer, as the case may be, under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" herein or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released, without further action by any Person, from its liabilities as obligor and maker on all the Secured Debt and Subordinated Securities (or with respect to the Co-Issuer, the Co-Issued Debt) and from its obligations under this Indenture and the other Transaction Documents to which it is a party.

Section 7.12 No Other Business. The Issuers shall not have any employees (other than its officers, directors and managers to the extent such officers, directors and managers might be considered employees) and shall not engage in any business or activity other than issuing, incurring, selling, paying, redeeming, prepaying and refinancing the Secured Debt pursuant to this Indenture and the Subordinated Securities pursuant to the Memorandum and Articles, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, the Assets and other incidental activities thereto, including entering into the Transaction Documents to which it is a party and such other activities which are necessary, required or advisable to accomplish the foregoing; *provided, however*, that the Issuer shall be permitted to enter into any additional agreements not expressly prohibited by Section 7.8 and to enter into any amendment, modification, or waiver of existing agreements or such additional agreements as otherwise provided in this Indenture, including in accordance with Article VIII. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Co-Issued Debt pursuant to this Indenture and such other activities which are necessary, required or advisable to accomplish the foregoing.

Each of the Issuer and Co-Issuer will provide prior written notice to S&P of any proposed amendment to its Organizational Documents. Neither the Issuer nor the Co-Issuer shall permit the amendment of its Organizational Documents, if such amendment would result in the rating of any Class of Secured Debt being reduced or withdrawn without the consent of a Majority of the Holders of each Class of Secured Debt so affected, and shall not otherwise amend its Organizational Documents, without the consent a Majority of any one or more Classes of Secured Debt or Subordinated Securities unless (i) the Issuer determines that such amendment would not, upon or after becoming effective, materially adversely affect the rights or interests of such Class or Classes, (ii) the Issuer gives ten days' prior written notice to the Holders of such amendment, (iii) with respect to any such Class, a Majority of such Class do not provide written notice to the Issuer that, notwithstanding the determination of the Issuer, the Persons providing notice have reasonably determined that such amendment would, upon or after becoming effective, materially adversely affect such Class (the failure of any such Majority to provide such notice to the Issuer within ten days of receipt of notice of such amendment from the Issuer being conclusively deemed to constitute hereunder consent to and approval of such amendment) and (iv) the S&P Rating Condition is satisfied.

Section 7.13 [Reserved].

Section 7.14 Annual Rating Review. (a) So long as any of the Secured Debt of any Class remains Outstanding, on or before May 28th in each year commencing in 2020, the Issuer shall obtain and pay for an annual review of the rating of each such Class of Secured Debt from the Rating Agency, as applicable. The Issuer shall promptly notify the Collateral Trustee and the Collateral Manager in writing (and the Collateral Trustee shall promptly provide the Holders with a copy of such notice) if at any time the Issuer is notified or has actual knowledge that the then-current rating of any such Class of Secured Debt has been, or is known will be, changed or withdrawn.

(b) The Issuer shall obtain and pay for an annual review by S&P of any Collateral Obligation which has an S&P Rating determined pursuant to clause (iii)(b) of the definition of "S&P Rating".

Section 7.15 Reporting. At any time when the Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Collateral Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuers hereby agree that for so long as any Floating Rate Debt remains Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuers or their Affiliates or the Collateral Manager or its Affiliates) to calculate ~~LIBOR~~ the Benchmark in respect of each Interest Accrual Period in accordance with the definition of LIBOR and Term SOFR Rate (the "Calculation Agent"). The Issuers hereby appoint the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuers or the Collateral Manager, on behalf of the Issuers, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuers or the Collateral Manager, on behalf of the Issuers, the Issuers or the Collateral Manager, on behalf of the Issuers, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates and provide notice thereof to the Collateral Trustee and the Collateral Administrator. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent agrees under the Collateral Administration Agreement) that, as soon as possible after 11:00 a.m. London time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the London Banking Day or U.S. Government Securities Business Day, as applicable, immediately following each Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Debt during the related Interest Accrual Period and the Debt Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Floating Rate Debt in respect of the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Issuers, the Collateral Trustee, the Loan Agent, each Paying Agent, the Collateral Manager, DTC, Euroclear and Clearstream. The Calculation Agent will also specify to the Issuers the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Debt Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

Section 7.17 Certain Tax Matters. The Co-Issuer shall not elect to be treated as other than a disregarded entity for U.S. federal income tax purposes, in each case without the unanimous consent of all Holders.

(a) The Issuer intends to be treated as a pass through entity for U.S. federal income tax purposes. For so long as all of the Subordinated Securities and any other interests that are treated as equity of the Issuer for U.S. federal income tax purposes are held by the Sole Equity Owner, the Issuer will be disregarded as separate from such Sole Equity Owner for U.S. federal income tax purposes. If and when the Subordinated Securities and any other interests that are treated as equity of the Issuer for U.S. federal income tax purposes are transferred such that those interest are considered held by two or more tax owners for U.S. federal income tax purposes, the Issuer intends to treat itself as a partnership for U.S. tax purposes. Each Holder or beneficial owner of a Note or interest therein, by investing in a Note, is deemed to agree to such treatment.

(b) The Issuer has in effect an election to be treated as a disregarded entity for U.S. federal income tax purposes, and has not and will not elect to be treated other than as a partnership or disregarded entity for U.S. federal, state or local income or franchise tax purposes and shall make any election or take any action necessary to avoid classification as a corporation for U.S. federal, state or local tax purposes.

(c) The Issuers and the Trustee shall treat the Secured Notes and the Subordinated Securities in a manner consistent with the description in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular, unless otherwise required by applicable law.

(d) The Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority *provided, however*, that the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or in any state of the United States that in each case is based on the Issuer being engaged in trade or business in such jurisdiction unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) If the Issuer has purchased an interest and the Issuer is aware that such interest is a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of any Note that is required to be treated as equity for U.S. federal income tax purposes requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

(f) Notwithstanding anything herein to the contrary, the Collateral Manager, the Issuers, the Collateral Trustee, the Collateral Administrator, the Placement Agent, the Co-Placement Agent, the Holders and beneficial owners of the Secured Debt or Subordinated Securities and each employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Issuer, the Collateral Trustee, the Loan Agent, the Collateral Administrator, the Placement Agent, the Co-Placement Agent or any other party to the transactions contemplated by this Indenture, the Offering or the pricing (except to the extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

(g) Upon the Issuer's receipt of a request of a Holder of a Secured Debt or Subordinated Securities that has been issued with more than de minimis "original issue discount" (as defined in Section 1273 of the Code) or written request of a Person certifying that it is an owner of a beneficial interest in a Secured Debt or Subordinated Securities that has been issued with more than de minimis "original issue discount" for the information described in United States Treasury regulations Section 1.1275-3(b)(1)(i) that is applicable to such Secured Debt or Subordinated Securities, the Issuer will cause its Independent certified public accountants to provide promptly to the Collateral Trustee and such requesting Holder or owner of a beneficial interest in such a Secured Debt or Subordinated Securities all of such information. Any additional issuance or incurrence of the Additional Debt, additional Subordinated Securities or Re-Pricing shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate original issue discount income to Holders of the Additional Debt or additional Subordinated Securities, as applicable.

(h) The Issuer (or the Collateral Manager acting on behalf of the Issuer) will take such reasonable actions, consistent with law and its obligations under this Indenture, as are necessary to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer (or the Sole Equity Owner) pursuant to FATCA, and any other action that the Issuer would be permitted to take under this Indenture in furtherance of Tax Account Reporting Rules Compliance. The Issuer shall provide any certification or documentation (including the IRS Form W-9 or the applicable IRS Form W-8 or any successor form) to any payor from time to time as provided by law to minimize U.S. withholding tax or backup withholding tax.

(i) For the avoidance of doubt, notwithstanding anything in this Section 7.17 or any other Section of this Indenture to the contrary, neither the Accountants' Effective Date Recalculation Report or any other Accountants' Report pursuant to Section 10.9(b) shall be provided to the Holders of the Notes or to the Rating Agency.

(j) The Issuer will provide, upon request of a Holder or beneficial owner of Subordinated Securities, any information that such Holder or beneficial owner reasonably requests to assist such Holder with regard to any filing requirements the Holder may have as a result of the controlled foreign corporation rules under the Code.

(k) Upon written request, the Trustee and the Notes Registrar shall provide to the Issuer, the Placement Agent, the Co-Placement Agent or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee or the Notes Registrar, as the case may be, and may be necessary for achieving Tax Account Reporting Rules Compliance, subject in all cases to confidentiality provisions.

(l) If and when the Subordinated Securities and any other interests that are treated as equity of the Issuer for U.S. federal income tax purposes are transferred such that those interests are considered held by two or more tax owners for U.S. federal income tax purposes, the following provisions shall apply (but, for the avoidance of doubt, the following provisions shall have no force or effect while the Subordinated Securities and the other interests that are treated as equity of the Issuer for U.S. federal income tax purposes are held by a Sole Equity Owner):

(i) Each Holder or beneficial owner of a Subordinated Security or other interest that is treated as equity of the Issuer for U.S. federal income tax purposes (each such interest, a "Partnership Interest" and each such Holder, a "Partner") agrees to treat the Issuer as a partnership and this Indenture as part of the Issuer's partnership agreement for purposes of Subchapter K and any related provisions of the Code and any Treasury Regulations promulgated thereunder.

(ii) The Collateral Manager is hereby designated as the Issuer's "Partnership Representative" within the meaning of Section 6223 of the Code. Vincent Cataldo shall be designated as the sole individual through whom the Partnership Representative will act for all purposes under the Sections 6221 through 6241 of the Code. If the then serving designated individual ceases to be the Head of Tax or ceases to meet the legal requirements to so serve, the Collateral Manager shall appoint a new designated individual. The Partnership Representative shall have authority to take any action that may be taken by a "partnership representative" under Code Sections 6221 through 6241. The Partnership Representative shall be entitled to reimbursement from the Issuer for reasonable costs it incurs in performing its duties as the Partnership Representative. The Issuer shall, to the fullest extent permitted by applicable law, indemnify, defend and hold harmless the Partnership Representative from, against and with respect to any liabilities arising out of or in connection with the duties of the Partnership Representative, except to the extent that it is finally judicially determined that such liabilities arose out of or were related to actions or omissions undertaken in bad faith or constituting recklessness, fraud or intentional wrongdoing.

(iii) To the extent that, as a result of a determination by a taxing authority or adjudicative body, there is any adjustment or proposed adjustment (an "Audit Adjustment") for the purposes of any tax law to any items of income gain, loss, deduction or credit of the Issuer for any taxable period (the "Adjustment Period"):

(A) The Partnership Representative agrees to take reasonable steps (taking into account the ability to effectively contest any Audit Adjustment and the overall taxes imposed on the Issuer and the Partners (disregarding for this purpose the specific tax characteristics of any Partner)), which may include following procedures under Code Section 6225 to reduce any imputed underpayment or making an election under Code Section 6226 and enforcing rights against Partners, to reduce liabilities of the Issuer for taxes, interest, additional amounts or penalties, or related amounts including any imputed underpayment, arising from the Audit Adjustment (except to the extent such amounts are in fact reimbursed by the Partners) and instead to cause each Partner to be liable for and economically bear its allocable share (determined with respect to the Adjustment Period) of the tax items affected by the Audit Adjustment (including interest, additional amounts and penalties or related amounts, including any imputed underpayment); and

(B) each Partner agrees to (a) provide tax information or certifications (including evidence of filing or payment of tax) as reasonably requested by the Partnership Representative in connection with an Audit Adjustment; (b) comply with the Partnership Representative's reasonable request to file accurate and timely amended returns to reflect an Audit Adjustment; and (c) be liable for and economically bear (and indemnify and hold the Issuer and each other Partner harmless from), all taxes and related interest, additional amounts and penalties and other liabilities including reasonable administrative costs resulting from or otherwise attributable to the Partner's allocable share (determined with respect to the Adjustment Period by the Partnership Representative, in consultation with the Investment Manager) of the tax items affected by the Audit Adjustment.

This clause (iii) and clause (vi), below, shall survive the transfer or termination of a Partnership Interest in the Issuer, as well as the termination, dissolution, liquidation and winding up of the Issuer.

(iv) The Partnership Representative shall make or cause to be made any and all elections on behalf of the Issuer under any applicable tax law as the Partnership Representative shall deem, in its discretion, to be in the best interests of the Issuer, including an election under section 754 of the Code.

(v) Capital Accounts.

(A) The Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each Partner in accordance with Section 704(b) of the Code and Treasury Regulations section 1.704-1(b)(2)(iv).

(B) For capital account purposes, all items of income, gain, loss and deduction shall be allocated among the Partners in a manner such that, if the Issuer were dissolved, its affairs wound up, its assets sold for their respective "book values" (within the meaning of Treasury regulations section 1.704-1(b)(2)(iv)) and its liabilities satisfied in full (except that nonrecourse liabilities with respect to an asset shall be satisfied only to the extent that such nonrecourse liabilities do not exceed the book value of such asset) and its assets distributed to the Partners in accordance with their respective capital account balances immediately after making such allocation, such distributions would, as nearly as possible, be equal to the distributions that would be made pursuant to the provisions of this Indenture. Any special allocations provided for in Section 7.17(n)(v)(E)-(G) shall be taken into account for capital account purposes.

(C) For U.S. federal, state and local income tax purposes, items of income, gain, loss, deduction and credit shall be allocated to the Partners in accordance with the allocations of the corresponding items for capital account purposes under this Section 7.17(l)(v), except that items with respect to which there is a difference between tax and book basis will be allocated in accordance with Section 704(c) of the Code, the Treasury Regulations thereunder, and Treasury Regulation section 1.704-1(b)(4)(i).

(D) The provisions of this Section 7.17(l)(v) relating to the maintenance of capital accounts are intended to comply with Treasury Regulation section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such regulations. The Partnership Representative shall be authorized to make appropriate amendments to the allocations of items pursuant to this Section 7.17(n)(v) if necessary in order to comply with Section 704 of the Code or applicable Treasury Regulations thereunder.

(E) Notwithstanding any other provision set forth in this Section 7.17(l)(v), no item of deduction or loss shall be allocated to a Partner to the extent the allocation would cause a negative balance in the Partner's capital account (after taking into account the adjustments, allocations and distributions described in Treasury Regulations sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6) that exceeds the amount that such Partner would be required to reimburse the Issuer pursuant to this Indenture or under applicable law. In the event some but not all of the Partners would have such excess capital account deficits as a consequence of such an allocation of loss or deduction, the limitation set forth in this Section 7.17(l)(v)(E) shall be applied on a Partner by Partner basis so as to allocate the maximum permissible deduction or loss to each such Partner under Treasury Regulation section 1.704-1(b)(2)(ii)(d). In the event any loss or deduction is specially allocated to a Partner pursuant to either of the two preceding sentences, an equal amount of income of the Issuer shall be specially allocated to such Partner prior to any allocation pursuant to Section 7.17(l)(v)(B).

(F) In the event any Partner unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6), items of Issuer income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate as quickly as possible any deficit balance in its capital account in excess of that permitted under Section 7.17(l)(v)(E) created by such adjustments, allocations or distributions. Any special allocations of items of income or gain pursuant to this Section 7.17(l)(v)(F) shall be taken into account in computing subsequent allocations pursuant to this Section 7.17(l)(v)(F) so that the net amount of any items so allocated and all other items allocated to each Partner pursuant to this Section 7.17(l)(v)(F) shall, to the extent possible, be equal to the net amount that would have been allocated to each such Partner pursuant to the provisions of this Section 7.17(l)(v)(F) if such unexpected adjustments, allocations or distributions had not occurred.

(G) In the event the Issuer incurs any nonrecourse liabilities, income and gain shall be allocated in accordance with the "minimum gain chargeback" provisions of Treasury Regulations sections 1.704-1(b)(4)(iv) and 1.704-2.

(H) The capital accounts of the Partners shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) to reflect the fair market value of Issuer property whenever a Partnership Interest is relinquished to the Issuer, whenever an additional Person becomes a Partner as permitted under this Indenture, upon any termination of the Issuer within the meaning of Section 708 of the Code, and when the Issuer is liquidated as permitted under this Indenture, and shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(e) in the case of a distribution of any property (other than cash).

(I) To the extent the Issuer is required by law to withhold or to make tax payments on behalf of or with respect to any Partner (e.g., backup withholding) ("Tax Advances"), the Issuer may cause such amounts to be withheld and such tax payments to be made as so required. All Tax Advances made on behalf of a Partner shall, at the option of the Issuer, (i) be promptly paid to the Issuer by the Partner on whose behalf such Tax Advances were made (such payment not to constitute a capital contribution), or (ii) be repaid by reducing the amount of the current or next succeeding distribution or distributions which would otherwise have been made to such Partner or, if such distributions are not sufficient for that purpose, by so reducing the proceeds of liquidation otherwise payable to such Partner. Whenever the Issuer selects option (ii) pursuant to the preceding sentence for repayment of a Tax Advance by a Partner, for all other purposes of this Indenture such Partner shall be treated as having received all distributions (whether before or upon liquidation) unreduced by the amount of such Tax Advance and interest thereon. Each Partner hereby agrees, to the extent permitted by applicable state and federal law, to reimburse the Issuer for any liability with respect to Tax Advances required on behalf of or with respect to such Partner.

(J) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of Section 7701(i) of the Code unless, based on Tax Advice, the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes.

By its purchase of a Partnership Interest, each Partner acknowledges that it has read this Section 7.17(l) and agrees to the covenants set forth herein.

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations.

(a) The Issuer will use commercially reasonable efforts to purchase, on or before August 20, 2019, Collateral Obligations (i) such that the Target Initial Par Condition is satisfied and (ii) that satisfy, as of the Effective Date, the Concentration Limitations, the Collateral Quality Test and the Coverage Tests.

(b) During the period from the Closing Date to and including the Effective Date, the Issuer will use funds to purchase additional Collateral Obligations as follows: (i) to pay for the principal portion of any Collateral Obligation from any amounts on deposit in the Ramp-Up Account or any Principal Proceeds on deposit in the Collection Account at the discretion of the Collateral Manager and (ii) to pay for accrued interest on any such Collateral Obligation from any amounts on deposit in the Ramp-Up Account or any Principal Proceeds on deposit in the Collection Account at the discretion of the Collateral Manager.

(c) Within thirty (30) days after the Effective Date, (i) the Issuer shall provide to the Collateral Manager and the Collateral Trustee, an Accountants' Report: (x) confirming the identity of the issuer (it being understood that the same issuer may be referred to differently due to the use of abbreviations or shorthand references by different record keepers), principal balance, coupon/spread, stated maturity, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and the information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein (such report, the "Accountants' Effective Date Comparison AUP Report") and (y) recalculating and comparing as of the Effective Date the level of compliance with, or satisfaction or non-satisfaction of the Effective Date Tested Items and specifying the procedures undertaken by them to review data and computations relating to such report (the "Accountants' Effective Date Recalculation AUP Report"), and (ii) the Issuer shall cause the Collateral Administrator to compile and deliver to the Rating Agency (in the case of delivery to S&P, via email to CDOEffectiveDatePortfolios@spglobal.com a report (the "Effective Date Report"), determined as of the Effective Date, containing (A) the information required in a Monthly Report, (B) a calculation of the Aggregate Principal Balance that indicates whether the Aggregate Principal Balance equals or exceeds the Target Initial Par Amount in satisfaction of the Target Initial Par Condition and (C) a list of any Closing Date Participation Interests held by the Issuer as of the Effective Date. For the avoidance of doubt, the Effective Date Report shall not include or refer to the Accountants' Report and no Accountants' Report shall be provided to or otherwise shared with the Rating Agency.

(d) In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment and, if Additional Debt or additional Subordinated Securities are issued, any Accountants' Report delivered pursuant to Section 2.4(e) as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15-E, except for the redaction of any sensitive information, on the 17g-5 Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other accountants' report provided by the Independent accountants to the Issuer, Trustee, Collateral Manager or Collateral Administrator will not be provided to any other party including the Rating Agency (other than as provided in an access letter between the accountants and such party).

(e) If (1) the Effective Date S&P Conditions have not been satisfied prior to the date that is thirty (30) days after the Effective Date or (2) S&P has not provided written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Secured Debt rated by S&P by the date thirty (30) Business Days following the Effective Date, then the Issuer (or the Collateral Manager on the Issuer's behalf) shall request S&P to provide written confirmation of its Initial Rating of the Secured Debt rated by S&P (which may take the form of a press release or other written communication). In such case, if S&P does not provide written confirmation of its Initial Rating of the Secured Debt on or prior to the Determination Date immediately preceding the first Payment Date, then the Issuer (or the Collateral Manager on the Issuer's behalf) will instruct the Collateral Trustee to transfer amounts

from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations until such time as S&P has provided written confirmation of its Initial Rating of the Secured Debt (provided that the amount of such transfer would not result in a default in the payment of interest with respect to the Class A Debt or the Class B Notes); provided that in lieu of complying with this clause (e), the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to obtain written confirmation of its Initial Rating of the Secured Debt from S&P.

(f) U.S.\$25,000,000 of the net proceeds of the issuance of the Notes and incurrence of the Class A Loans will be deposited in the Ramp-Up Account on the Closing Date. At the direction of the Issuer (or the Collateral Manager on behalf of the Issuer), the Collateral Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations and Principal Financed Accrued Interest from the Closing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

(g) [Reserved].

(h) Weighted Average S&P Recovery Rate; S&P CDO Monitor. On or prior to the later of (x) the S&P CDO Monitor Election Date and (y) the Effective Date, the Collateral Manager will elect the Weighted Average S&P Recovery Rate that will apply on and after such date to the Collateral Obligations for purposes of determining compliance with the S&P Minimum Weighted Average Recovery Rate Test, and the Collateral Manager will so notify the Collateral Trustee and the Collateral Administrator. Thereafter, at any time on written notice to the Collateral Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; *provided* that if (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations but the Collateral Obligations would not be in compliance with the Weighted Average S&P Recovery Rate case to which the Collateral Manager desires to change, then such changed case shall not apply or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations shall be the lowest Weighted Average S&P Recovery Rate in Schedule 5. If the Collateral Manager does not notify the Collateral Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate in the manner set forth in this Indenture, the Weighted Average S&P Recovery Rate chosen as of the S&P CDO Monitor Election Date or the Effective Date, as applicable, shall continue to apply.

(i) Compliance with the S&P CDO Monitor Test will be measured by the Collateral Manager on each Measurement Date on or after the Effective Date and on or prior to the last day of the Reinvestment Period; provided, however, that on each Measurement Date occurring on and after the S&P CDO Monitor Election Date, after receipt by the Issuer of the S&P CDO Monitor, the Collateral Manager will be required to provide to the Collateral Administrator a report on the portfolio of Collateral Obligations containing such information as shall be reasonably necessary to permit the Collateral Administrator to calculate the Class Default Differential with respect to the Highest Ranking Class on such Measurement Date. In the event that the Collateral Manager's measurement of compliance and the Collateral Administrator's measurement of compliance show different results, the Collateral Manager and the Collateral Administrator shall be required to cooperate promptly in order to reconcile such discrepancy.

(j) The failure of the Issuer to satisfy the requirements of this Section 7.18 will not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith.

Section 7.19 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder):

(ii) Other than the security interest Granted to the Collateral Trustee for the benefit of the Secured Parties pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest granted to the Collateral Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iv) All Accounts constitute "securities accounts" under Section 8-501(a) of the UCC, or "deposit accounts" (as defined in Section 9-102(a) of the UCC).

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Collateral Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise herein), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Collateral Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Collateral Trustee or the Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Collateral Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they are pledged, assigned or otherwise conveyed to any Person other than the Collateral Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

(c) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and will have been credited to one of the Accounts which are securities accounts within the meaning of Section 8-501(a) of the UCC, or “deposit accounts” (as defined in Section 9-102(a) of the UCC). The Securities Intermediary for each Account has agreed to treat all assets (other than cash or general intangibles) credited to such Accounts that are securities accounts as “financial assets” within the meaning of Section 8-102(a)(9) the UCC.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

(iii) (x) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder and (y) (A) the Issuer has delivered to the Collateral Trustee a fully executed Securities Account Control Agreement pursuant to which the Custodian has agreed to comply with all instructions originated by the Collateral Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Custodian to identify in its records the Collateral Trustee as the Person having a security entitlement against the Custodian in each of the Accounts.

-
- (iv) The Accounts are not in the name of any Person other than the Issuer or the Collateral Trustee. The Issuer has not consented to the Custodian to comply with the Entitlement Order of any Person other than the Collateral Trustee (and the Issuer prior to a notice of exclusive control being provided by the Collateral Trustee).
- (d) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute general intangibles:
- (i) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder.
- (ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.
- (e) The Issuer agrees to notify the Collateral Manager and the Rating Agency promptly if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.19 and shall not, without satisfaction of the S&P Rating Condition, waive any of the representations and warranties in this Section 7.19 or any breach thereof.

Section 7.20 Limitation on Long Dated Obligations. (a) Neither the Issuer nor the Collateral Manager on behalf of the Issuer shall agree to any amendment or modification to extend the stated maturity of a Collateral Obligation unless the amended stated maturity of such Collateral Obligation would be not later than two years beyond the earliest Stated Maturity of any Secured Debt Outstanding; *provided* that unless, after giving effect to such amendment or modification, (a) the Weighted Average Life Test would be satisfied, or if not satisfied, maintained or improved and (b) not more than 10% of the Collateral Principal Amount consists of Collateral Obligations that are Long Dated Obligations, such Collateral Obligation will be considered a Defaulted Collateral Obligation for all purposes under this Indenture until such time, if any, that the conditions in clauses (a) and (b) are satisfied; *provided, however*, that clauses (a) and (b) above shall not apply if (i) the Issuer (or the Collateral Manager on behalf of the Issuer) did not affirmatively consent to such amendment or modification or (ii) such amendment or modification is being executed in connection with the restructuring of such Collateral Obligation as a result of an actual default, bankruptcy or insolvency of the related Obligor; *provided further*, however, that notwithstanding the prohibition set forth above, the Issuer or the Collateral Manager on behalf of the Issuer may agree to an amendment or modification to extend the stated maturity of a Collateral Obligation beyond two years following the earliest Stated Maturity of any Secured Debt Outstanding and in such instances, for all purposes under this Indenture, such Collateral Obligation will be treated as an Equity Security. For the avoidance of doubt, after giving effect to such amendment or modification, the Collateral Obligation that is the subject of such amendment or modification must satisfy the definition of Collateral Obligation (other than clause (xvii) thereof).

Subject to the foregoing, the Collateral Manager may, on behalf of the Issuer, agree to any amendment, waiver or modification with respect to any Collateral Obligation in accordance with the Collateral Management Agreement.

Section 7.21 Proceedings. (a) Notwithstanding any other provision of this Indenture, the Credit Agreement, the Notes, the Collateral Administration Agreement, the Collateral Management Agreement or of any other agreement, the Issuer shall be under no duty or obligation of any kind to the Holders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Collateral Trustee, the Collateral Administrator or the Calculation Agent. (xxv) to amend, modify or otherwise change the provisions of this Indenture so that (1) the Issuer is not a "covered fund" under the Volcker Rule, (2) the Secured Debt is not considered to constitute "ownership interests" under the Volcker Rule or (3) ownership of the Secured Debt will otherwise be exempt from the Volcker Rule.

Section 8.2 Supplemental Indentures With Consent of Holders. (a) With the written consent of (i) the Collateral Manager and (ii) a Majority of each Class of Secured Debt and Subordinated Securities (voting separately by Class) materially and adversely affected thereby, if any the Collateral Trustee and the Issuers may, subject to Section 8.3 execute one or more supplemental indentures to add provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Secured Debt or Subordinated Securities of any Class under this Indenture; *provided that*, notwithstanding anything herein to the contrary, no such supplemental indentures shall, without the consent of the Holder of each Outstanding Secured Debt or Subordinated Securities of each Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Debt, reduce the principal amount thereof or the rate of interest thereon (except in connection with a Re-Pricing) or, except as otherwise expressly permitted by this Indenture, the Redemption Price with respect to any Secured Debt or Subordinated Securities, or change the earliest date on which Secured Debt or Subordinated Securities of any Class may be redeemed or re-priced, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Debt, or distributions on the Subordinated Securities or change any place where, or the coin or currency in which, Secured Debt or Subordinated Securities or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); *provided that* this Indenture may be amended without the consent of the Holders (except as expressly provided in Section 8.1(xxiv)) to facilitate a change from LIBOR to an Alternative Base Rate pursuant to a Base Rate Amendment;

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required for the authorization of any such supplemental indentures or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for herein;

(iii) materially impair or materially adversely affect the Assets except as otherwise permitted herein;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Debt of the security afforded by the lien of this Indenture;

(v) reduce the percentage of the Aggregate Outstanding Amount of Holders of any Class of Secured Debt whose consent is required to request the Collateral Trustee to preserve the Assets or rescind the Collateral Trustee's election to preserve the Assets pursuant to [Section 5.5](#) or to sell or liquidate the Assets pursuant to [Section 5.4](#) or [5.5](#);

(vi) modify any of the provisions of (x) this [Section 8.2](#), except to increase the percentage of Outstanding Class A Debt, Class B Notes or Subordinated Securities, the consent of the holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Class A Note Outstanding, Class A-F Note Outstanding, Class A Loan Outstanding, Class B Note Outstanding, or Subordinated Security Outstanding and affected thereby or (y) [Section 8.1](#) or [Section 8.3](#);

(vii) modify the definitions of any of the terms "Outstanding," "Class," "Controlling Class," "Majority" and "Supermajority" or the Priority of Payments set forth in [Section 11.1\(a\)](#); or

(viii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest or principal on any Secured Debt or any amount available for distribution to the Subordinated Securities, or to affect the rights of the Holders of any Secured Debt or Subordinated Securities to the benefit of any provisions for the redemption of such Secured Debt or Subordinated Securities contained herein.

The Collateral Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a Responsible Officer's certificate of the Collateral Manager as to whether the interests of any Holder of Secured Debt or Subordinated Securities would be materially and adversely affected by the modifications set forth in any supplemental indenture entered in pursuant to this [Section 8.2](#), it being expressly understood and agreed that the Collateral Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel or such Responsible Officer's certificate. Such determination shall be conclusive and binding on all present and future Holders. The Collateral Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel or such a Responsible Officer's certificate delivered to the Collateral Trustee as described herein. Notwithstanding the foregoing, if a Majority of any Class

has provided written notice to the Collateral Trustee at least three Business Days prior to the execution of such supplemental indenture that such Class would be materially and adversely affected thereby (and setting forth in reasonable detail how such Class would be materially and adversely affected) and such Class is not being redeemed or prepaid in connection with the execution of such supplemental indenture, the Collateral Trustee shall not enter into such supplemental indenture without the consent of a Majority (or such greater portion as may be required above) of such Class.

Section 8.3 Execution of Supplemental Indentures. (a) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has consented thereto in accordance with this Article VIII. No amendment to this Indenture will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(b) Notwithstanding any other provision relating to supplemental indentures herein, at any time after the expiration of the Non-Call Period, if any Class of Secured Debt or Subordinated Securities has been or contemporaneously with the effectiveness of any supplemental indenture will be paid in full in accordance with this Indenture as so supplemented or amended, the written consent of any Holder of any Secured Debt or Subordinated Securities of such Class will not be required with respect to such supplemental indenture.

(c) The Collateral Trustee shall join in the execution of any such supplemental indenture and shall make any further appropriate agreements and stipulations which may be therein contained, but the Collateral Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Collateral Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(d) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Collateral Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Collateral Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel.

(e) At the cost of the Issuers, for so long as any Secured Debt or Subordinated Securities shall remain Outstanding, not later than twenty (20) Business Days (or, in the case of a proposed supplemental indenture that effects a Refinancing, a Re-Pricing or an issuance or incurrence of Additional Debt or additional Subordinated Securities, five (5) Business Days) prior to the execution of any proposed supplemental indenture, the Collateral Trustee shall deliver to the Collateral Manager, the Loan Agent, the Collateral Administrator, the Holders and the Issuers, a copy of such supplemental indenture. At the cost of the Issuers, for so long as any Class of Secured Debt shall remain Outstanding and such Class is rated by the Rating Agency, the Collateral Trustee shall provide to the Rating Agency a copy of any proposed supplemental indenture at least ten (10) Business Days (or, in the case of a proposed supplemental indenture that

effects a Refinancing, a Re-Pricing or an issuance or incurrence of Additional Debt or additional Subordinated Securities, five (5) Business Days) prior to the execution thereof by the Collateral Trustee (unless such period is waived by the Rating Agency) and, for so long as such Class of Secured Debt is Outstanding and so rated, as soon as practicable after the execution of any such supplemental indenture, provide to the Rating Agency a copy of the executed supplemental indenture. The Collateral Trustee shall, at the expense of the Issuer, notify the Holders if the Rating Agency determines that such supplemental indenture will affect its rating of any Class rated by the Rating Agency. At the cost of the Issuer, the Collateral Trustee shall provide to the Holders (in the manner described in [Section 14.4](#)) a copy of the executed supplemental indenture after its execution. Any failure of the Collateral Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(f) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(g) Notwithstanding any other provision in this [Article VIII](#) or any other requirements set forth in this Indenture, in connection with a Refinancing of all Classes of Secured Debt, the Issuers and the Collateral Trustee may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture if (i) such supplemental indenture is effective on or after the date of such Refinancing, (ii) the Collateral Manager and a Majority of the Subordinated Securities have consented to the execution of such supplemental indenture and (iii) such supplemental indenture does not, by its terms, modify the rights or terms applicable to any portion of the Subordinated Securities in a manner intended to result in such rights or terms being materially different from any other portion of the Subordinated Securities; *provided*, further that with respect to any such supplemental indenture, a description of all material terms of such supplemental indenture was disclosed to the purchasers of the loans or replacement notes prior to the date of such Refinancing.

(h) Notwithstanding any other provision in this [Article VIII](#), a supplemental indenture for which the Holders of each Outstanding Secured Debt or Subordinated Securities of each Class have consented shall not require satisfaction of any timing requirements for prior notice of such supplemental indenture to any party. Notwithstanding the foregoing, the Collateral Trustee shall subsequently provide to the Rating Agency then rating an outstanding Class of Secured Debt a copy of any supplemental indenture described in the immediately preceding sentence.

(i) Notwithstanding anything to the contrary contained herein, no supplemental indenture, or other modification or amendment of this Indenture, may become effective unless such supplemental indenture or other modification or amendment would not, in the reasonable judgment of the Issuer in consultation with legal counsel experienced in such matters, as certified by the Issuer to the Collateral Trustee (upon which certification the Collateral Trustee may conclusively rely), (i) result in the Issuer being treated as a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes or otherwise being subject to U.S. federal income tax on a net income basis or (ii) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class Outstanding at the time of the execution of the supplemental indenture or amendment or other modification or amendment of this Indenture; *provided* that in determining whether a material adverse effect exists with respect to the Issuer or such holders, either any related recognition of cancellation of indebtedness income or gain or loss with respect to such Secured Debt or Subordinated Securities under Section 1001 of the Code will be disregarded.

(j) Holders of Class A Debt will vote together as a single Class in connection with any supplemental indenture, except that the holders of each of the Class A Notes, Class A-F Notes and the Class A Loans will vote separately by Class with respect to any amendment or modification of this Indenture solely to the extent that such amendment or modification would by its terms directly affect the holders of any such Class exclusively and differently from any holders of the other Class of Class A Debt (including, without limitation, any amendment that would reduce the amount of interest or principal payable on the applicable Class).

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II or Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Collateral Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Notes, so modified as to conform in the opinion of the Issuer to any such supplemental indenture, may be prepared and executed by the Issuers and authenticated and delivered by the Collateral Trustee in exchange for Outstanding Notes.

Section 8.6 Hedge Agreements. Notwithstanding anything herein to the contrary, no supplemental indenture, or other modification or amendment of this Indenture, may be entered into that permits the Issuer to enter into any hedge agreement unless (i) the written terms of the hedge agreement directly relate to the Collateral Obligations and the Secured Debt and Subordinated Securities and such hedge agreement reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Secured Debt and Subordinated Securities and (ii) the S&P Rating Condition is satisfied. For the avoidance of doubt, the Issuer cannot enter into hedge agreements without such a modification.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Debt and Subordinated Securities on the applicable Payment Date pursuant to the Priority of Payments.

Section 9.2 Optional Redemption. (a) The Secured Debt shall be redeemable (or in the case of the Class A Loans, prepayable) by the Applicable Issuer at the written direction of a Majority of the Subordinated Securities (with the consent of the Collateral Manager) as follows: (i) in whole (with respect to all Classes of Secured Debt) but not in part on any Business Day after the end of the Non-Call Period from Sale Proceeds and/or Refinancing Proceeds or (ii) in part by Class (with respect to one or more entire Classes of Secured Debt designated by a Majority of the Subordinated Securities) on any Business Day after the end of the Non-Call Period from Refinancing Proceeds and/or Partial Refinancing Interest Proceeds; provided that any redemption in part by Class will be in respect of the entire Class or Classes of Secured Debt. In connection with any such redemption, the Secured Debt shall be redeemed (or in the case of the Class A Loans, prepaid) at the applicable Redemption Prices and a Majority of the Subordinated Securities, must provide the above described written direction to the Issuer, the Collateral Trustee and the Loan Agent not later than thirty (30) days (or such shorter period of time (not to be less than fifteen (15) Business Days) as the Collateral Trustee, the Loan Agent and the Collateral Manager find reasonably acceptable) prior to the Business Day on which such redemption is to be made; *provided* that all Secured Debt to be redeemed must be redeemed simultaneously.

(b) Upon receipt of a notice of any redemption of Secured Debt in whole (from the Collateral Trustee via overnight delivery service) pursuant to Section 9.2(a)(i), the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Redemption Assets in an amount such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Secured Debt to be redeemed (or in the case of the Class A Loans, prepaid) and to pay all Administrative Expenses (without regard to the Administrative Expense Cap) and Collateral Management Fee due and payable under the Priority of Payments. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Secured Debt and to pay such fees and expenses, the Secured Debt may not be redeemed. The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(c) [Reserved].

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided above, upon any redemption in whole, the Applicable Issuer may redeem the Secured Debt in whole from Refinancing Proceeds and Sale Proceeds, if any, and, upon a redemption in part by Class the Applicable Issuer may redeem the applicable Class or Classes of Secured Debt from Refinancing Proceeds and/or Partial Refinancing Interest Proceeds, in each case, by obtaining a loan or an issuance of replacement securities, whose terms in each case may be negotiated by the Collateral Manager on behalf of the Applicable Issuer, from one or more financial institutions or purchasers; provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager and a Majority of the Subordinated Securities and such Refinancing must otherwise satisfy the conditions set forth below. Prior to or concurrent with effecting any Refinancing in part, but not in whole, the Applicable Issuer shall satisfy the S&P Rating Condition in relation to such Refinancing. Any loans or replacement securities issued in connection with a Refinancing will be offered first to the Collateral Manager and the Retention Holder, in such amount that the Collateral Manager has determined, in its sole discretion, is required for the U.S. Risk Retention Rules to be satisfied.

(e) In the case of a Refinancing upon a redemption of the Secured Debt in whole but not in part pursuant to [Section 9.2\(a\)\(i\)](#), such Refinancing will be effective only if (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments, if any, in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem (or in the case of the Class A Loans, prepay) simultaneously the Secured Debt then required to be redeemed at the respective Redemption Prices thereof, in whole but not in part, and to pay all accrued and unpaid Administrative Expenses (without regard to the Administrative Expense Cap), including, without limitation, the reasonable fees, costs, charges and expenses incurred by the Collateral Trustee, the Loan Agent, the Collateral Administrator and the Collateral Manager (including reasonable attorneys' fees and expenses) in connection with such Refinancing, (ii) any Sale Proceeds, Refinancing Proceeds and other available funds are used (to the extent necessary) to make such redemption, and (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in [Section 13.1\(b\)](#) and [Section 2.8\(i\)](#).

(f) In the case of a Refinancing upon a redemption of the Secured Debt in part by Class pursuant to [Section 9.2\(a\)\(ii\)](#), such Refinancing will be effective only if (i) the S&P Rating Condition has been satisfied with respect to any remaining Secured Debt that was not the subject of the Refinancing, (ii) the Refinancing Proceeds and the Partial Refinancing Interest Proceeds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Debt subject to Refinancing, (iii) the Refinancing Proceeds and the Partial Refinancing Interest Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in [Section 13.1\(b\)](#) and [Section 2.8\(i\)](#), (v) the aggregate principal amount of any obligations providing the Refinancing is no greater than the Aggregate Outstanding Amount of the Secured Debt being redeemed with the proceeds of such obligations plus an amount equal to the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing, (vi) the stated maturity of each class of obligations providing the Refinancing is no earlier than the corresponding Stated Maturity of each Class of Secured Debt being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds (except for expenses owed to Persons that the Collateral Manager informs the Collateral Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments; provided that any such fees due to the Collateral Trustee and determined by the Collateral Manager to be paid in accordance with the Priority of Payments shall not be subject to the Administrative Expense Cap), (viii) the weighted average interest rate (based on the aggregate principal amount of each Class of Secured Debt subject to a Refinancing and ~~LIBOR~~ [the Benchmark](#) as in effect in the Interest Accrual Period in which the notice of redemption is delivered) with respect to such loan or issuance must not exceed the weighted average interest rate (based on the aggregate principal amount of each Class of Secured Debt subject to a Refinancing and ~~LIBOR~~ [the Benchmark](#) as in effect in the Interest Accrual Period in which the notice of redemption is delivered) of the Class or Classes of Secured Debt that are being redeemed pursuant to such Refinancing; provided further that, for the avoidance of doubt, Secured Debt may be refinanced with Secured Debt bearing a fixed rate of interest, (ix) the obligations providing the

Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the corresponding Class of Secured Debt being refinanced, (x) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Debt being refinanced, (xi) a Majority of the Subordinated Securities directs the Issuer to effect such Refinancing, (xii) Tax Advice is delivered to the Collateral Trustee and the Loan Agent, in form and substance satisfactory to the Collateral Manager, the Collateral Trustee and the Loan Agent, to the effect that such Refinancing will not cause the Issuer to have any U.S. federal income or withholding tax liability or otherwise have a material adverse effect on the tax treatment of the Issuer and (xiii) none of the Issuer, the Collateral Manager, the Retention Holder or any "sponsor" of the Issuer under the U.S. Risk Retention Rules shall fail to be in compliance with the U.S. Risk Retention Rules and the EU Risk Retention Requirements as a result of such Refinancing unless such Person has consented to such Refinancing.

(g) The holders of the Subordinated Securities will not have any cause of action against the Issuers, the Collateral Manager, the Collateral Administrator or the Collateral Trustee for any failure to obtain a Refinancing. Unless it otherwise consents, neither the Collateral Manager nor any Affiliate of the Collateral Manager shall be required to acquire any obligations or securities of the Issuers in connection with such Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Issuers and the Collateral Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and, notwithstanding anything to the contrary set forth in Article VIII hereof, no further consent for such amendments shall be required from the Holders of Secured Debt or Subordinated Securities other than the consent of a Majority of the Subordinated Securities directing the redemption (including with respect to any related amendment providing that replacement debt issued in connection therewith will not be subject to any subsequent Refinancing). The Collateral Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Collateral Trustee shall be entitled to conclusively rely upon an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds, or the sufficiency of the Accountants' Report required hereunder).

(h) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least fifteen (15) Business Days prior to the Redemption Date, notify the Collateral Trustee and the Loan Agent in writing of such Redemption Date, the applicable Record Date, the principal amount of Secured Debt to be redeemed on such Redemption Date and the applicable Redemption Prices. The failure to effect any Optional Redemption shall not constitute an Event of Default.

(i) In connection with any Optional Redemption of the Secured Debt in whole or of any Class of the Secured Debt in connection with a Refinancing of such Class, Holders of 100% of the Aggregate Outstanding Amount of any such Class of Secured Debt may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Debt.

(j) If a Class or Classes of Secured Debt is redeemed in connection with a Refinancing in part by Class, Refinancing Proceeds, together with Partial Refinancing Interest Proceeds, shall be used to pay the Redemption Price(s) of such Class or Classes of Secured Debt without regard to the Priority of Payments.

(k) The Subordinated Securities may be redeemed by the Issuer at their Redemption Price (any such redemption, an Optional Subordinated Security Redemption), in whole but not in part, on any Business Day upon five (5) Business Days' notice (or such shorter agreed period) to the Collateral Trustee on or after the redemption or repayment in full of the Secured Debt, at the direction of a Majority of the Subordinated Securities (with the consent of the Collateral Manager) or at the direction of the Collateral Manager.

Section 9.3 Tax Redemption. (a) The Secured Debt shall be redeemed (or in the case of the Class A Loans, prepaid) in whole but not in part (any such redemption, a Tax Redemption) at their applicable Redemption Prices at the written direction (delivered to the Collateral Trustee and the Loan Agent) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Securities, in either case following the occurrence and continuation of a Tax Event.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Debt may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Debt.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Collateral Trustee shall promptly notify the Collateral Manager, the Holders and the Rating Agency thereof.

(d) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Collateral Trustee thereof, and upon receipt of such notice the Collateral Trustee shall promptly notify the Holders of the Secured Debt and Subordinated Securities and the Rating Agency thereof.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2, the written direction of a Majority of the Subordinated Securities and the consent of the Collateral Manager shall be provided to the Applicable Issuer, the Collateral Trustee and the Collateral Manager not later than sixty (60) days (or such shorter period of time, not to be less than fifteen (15) Business Days, as the Collateral Trustee and the Collateral Manager find reasonably acceptable) prior to the Business Day on which such redemption is to be made (which date shall be designated in such notice). In the event of any redemption pursuant to Section 9.2 or 9.3, a notice of redemption shall be given by the Collateral Trustee by overnight delivery service, postage prepaid, mailed not later than fifteen (15) Business Days prior to the applicable Redemption Date, to each Holder of Secured Debt or Subordinated Securities, at such Holder's address in the Register (and, in the case of Global Notes, delivered by electronic transmission to DTC) and the Rating Agency.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Secured Debt and Subordinated Securities to be redeemed (as applicable);

(iii) all of the Secured Debt and Subordinated Securities that are to be redeemed are to be redeemed (or in the case of the Class A Loans, prepaid) in full and that interest on such Secured Debt shall cease to accrue on the Payment Date specified in the notice; and

(iv) the place or places specified by the Collateral Trustee where Secured Debt or Subordinated Securities are to be surrendered for payment of the Redemption Prices, which in the case of the Secured Debt shall be the Corporate Trust Office of the Collateral Trustee and in the case of the Subordinated Securities shall be as provided in the Fiscal Agency Agreement.

(c) The Issuer may withdraw any such notice of redemption delivered pursuant to Section 9.2 on any day up to and including the later of (x) the day on which the Collateral Manager is required to deliver to the Collateral Trustee the sale agreement or agreements or certifications as described in Section 9.4(e), by written notice to the Collateral Trustee that the Collateral Manager will be unable to after using commercially reasonable efforts or elects in good faith based on an assessment of current market conditions not to deliver the sale agreement or agreements or certifications described in Section 9.4(e) and Sections 12.1(b) and (g) and (y) the day on which the Holders of Secured Debt and Subordinated Securities are notified of such redemption in accordance with Section 9.4(a), at the written direction of a Majority of the Subordinated Securities to the Collateral Trustee, the Loan Agent and the Collateral Manager. The Issuer shall provide notice to the Rating Agency of any such withdrawal. The reasonable fees, costs, charges and expenses incurred in connection with the failure of any such redemption will be paid by the Issuer as Administrative Expenses payable in accordance with the Priority of Payments.

(d) Notice of redemption (and any withdrawal thereof) pursuant to Section 9.2 or 9.3 shall be given to the Holders of Secured Debt and Subordinated Securities and the Rating Agency by the Issuer or, upon an Issuer Order, by the Collateral Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Secured Debt or Subordinated Securities selected for redemption shall not impair or affect the validity of the redemption of any other Secured Debt or Subordinated Securities.

(e) Unless Refinancing Proceeds are being used to redeem the Secured Debt in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Debt may be optionally redeemed unless (i) at least five (5) Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Collateral Trustee and the Loan Agent evidence in a form reasonably satisfactory to the Collateral Trustee and the Loan Agent, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) are rated, or guaranteed by a Person whose short-term unsecured debt obligations are rated, at least "A-1" by S&P to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or puttable to the issuer thereof at par on or prior to the

scheduled Redemption Date, to pay all Administrative Expenses (without regard to the Administrative Expense Cap) and Collateral Management Fee payable in connection with such Optional Redemption or Tax Redemption, in each case, as applicable and in accordance with the Priority of Payments, and redeem the applicable Class of Secured Debt on the scheduled Redemption Date at the applicable Redemption Prices (including, without limitation, any such amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Collateral Trustee and the Loan Agent that, in its judgment (which may be based on the Issuer having entered into an agreement to sell such Assets to another special purpose entity (or any Affiliate which has sufficient cash or financing resources available) that has committed financing or that has priced but has not yet closed its securities offering if such securities offering is expected to close on or prior to the scheduled Redemption Date), the aggregate sum of (A) expected proceeds from the sale of Eligible Investments and all amounts that ORCC has committed to contribute to the Issuer, and (B) for each Collateral Obligation, its Market Value, shall exceed the sum of (x) the aggregate Redemption Prices of the applicable Class of Secured Debt (including, without limitation, any such amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class) and (y) all Administrative Expenses (without regard to the Administrative Expense Cap) and Collateral Management Fee payable in connection with such Optional Redemption or Tax Redemption, in each case, as applicable and in accordance with the Priority of Payments. Any certification delivered by the Collateral Manager pursuant to this [Section 9.4\(c\)](#) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations required by this [Section 9.4\(c\)](#). Any holder of Secured Debt or Subordinated Securities, ORCC, the Collateral Manager or any of their respective Affiliates or accounts managed thereby or by any of their respective Affiliates may, subject to the same terms and conditions afforded to other bidders and compliance with applicable law (including the Advisers Act), bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

[Section 9.5 Secured Debt or Subordinated Securities Payable on Redemption Date](#) (a) Notice of redemption pursuant to [Section 9.4](#) having been given as aforesaid, the Secured Debt or Subordinated Securities to be redeemed (or in the case of the Class A Loans, prepaid) shall, on the Redemption Date, subject to [Section 9.4\(c\)](#) and the Issuer's right to withdraw any notice of redemption pursuant to [Section 9.4\(c\)](#), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Secured Debt shall cease to bear interest on the Redemption Date. Upon final payment on a Secured Debt or Subordinated Securities to be so redeemed, the Holder shall present and surrender such Secured Debt or Subordinated Securities at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that if there is delivered to the Issuer and the Collateral Trustee (or the Fiscal Agent in the case of the Subordinated Securities) such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Secured Debt or Subordinated Securities, then, in the absence of notice to the Issuer or the Collateral Trustee (or the Fiscal Agent in the case of the Subordinated Securities) that the applicable Secured Debt or Subordinated Securities has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Debt to be so redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders of such Secured Debt, or one or more predecessor Secured Debts, registered as such at the close of business on the relevant Record Date according to the terms and provisions of [Section 2.8\(e\)](#).

(b) If any Secured Debt called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Debt remains Outstanding; provided that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Special Redemption. Principal payments on the Secured Debt shall be made in part in accordance with the Priority of Payments on any Payment Date (i) during the Reinvestment Period, if the Collateral Manager in its sole discretion notifies the Collateral Trustee and the Loan Agent at least five (5) Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least twenty (20) consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations or (ii) after the Effective Date, if the Collateral Manager notifies the Collateral Trustee and the Loan Agent that a redemption is required pursuant to Section 7.18 in order to obtain from S&P its written confirmation of its Initial Ratings of the Secured Debt (each of (i) and (ii), a "Special Redemption"). On the first Payment Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing, as applicable, either (i) Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations will be applied as described in clause (E) of Section 11.1(a)(ii), or (ii) Interest Proceeds and Principal Proceeds available therefor will be applied to pay principal of the Secured Debt in accordance with the Debt Payment Sequence as described in clause (F) of Section 11.1(a)(i) and clause (C) of Section 11.1(a)(ii) (but in the case of this clause (ii), only to the extent that the Collateral Manager does not direct that the Interest Proceeds and Principal Proceeds be allocated to the purchase of additional Collateral Obligations) until the Issuer obtains written confirmation from S&P of the Initial Ratings of the Secured Debt or the Effective Date S&P Conditions have been satisfied (such amount, a "Special Redemption Amount") will be applied in accordance with the Priority of Payments. Notice of payments pursuant to this Section 9.6 shall be given by the Collateral Trustee and the Loan Agent not less than three (3) Business Days prior to the applicable Special Redemption Date (x) by email transmission, if available, and otherwise by facsimile, if available, or (y) by first class mail, postage prepaid, to each Holder of Secured Debt affected thereby at such Holder's facsimile number, email address or mailing address in the Register (and in the case of Global Notes, delivered by electronic transmission to DTC) and to the Rating Agency.

Section 9.7 Optional Re-Pricing.

(a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Subordinated Securities (with the consent of the Collateral Manager), the Applicable Issuer shall reduce the spread over ~~LIBOR~~ the Benchmark (or, in the case of any Fixed Rate Debt, the stated rate of interest) with respect to any Class of Re-Pricing Eligible Debt (such reduction, a "Re-Pricing" and any Class of Re-Pricing Eligible Debt to be subject to a Re-Pricing, a "Re-Priced Class"); *provided* that the Applicable Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Secured Debt other than the Interest Rate applicable to the related Re-Priced Class may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the approval of (i) a Majority of the Subordinated Securities and (ii) the Collateral Manager and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

(b) At least 30 days prior to the Business Day fixed by a Majority of the Subordinated Securities for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing to the Collateral Trustee and the Loan Agent (who shall promptly deliver a copy of such notice to each Holder of the proposed Re-Priced Class(es), the Loan Agent, the Collateral Manager and the Rating Agency), which notice shall:

(i) specify the proposed Re-Pricing Date and the revised Interest Rate to be applied with respect to such Class (the "Re-Pricing Rate");

(ii) request each Holder of the Re-Priced Class to approve the proposed Re-Pricing; and

(iii) specify the price at which Secured Debt of any Holder of the Re-Priced Class which does not approve the Re-Pricing may be sold and transferred pursuant to Section 9.7(c), which, for purposes of such Re-Pricing, shall be the applicable Redemption Price after giving effect on a *pro forma* basis to all payments to be made pursuant to the Priority of Payments on the Re-Pricing Date if such date is a Payment Date.

(c) In the event any Holders of the Re-Priced Class do not deliver written consent to the proposed Re-Pricing on or before the date that is ten (10) Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to the Collateral Trustee (who shall promptly deliver a copy of such notice to the consenting Holders of the Re-Priced Class), specifying the Aggregate Outstanding Amount of the Secured Debt of the Re-Priced Class held by such non-consenting Holders, and shall request that each such consenting Holder provide written notice to the Issuer, the Collateral Trustee, the Loan Agent, the Collateral Manager and the Re-Pricing Intermediary if such Holder would like to purchase all or any portion of the Secured Debt of the Re-Priced Class held by the non-consenting Holders (each such notice, an "Exercise Notice") within five (5) Business Days after receipt of such notice. In the event the Issuer shall receive Exercise Notices with respect to more than the Aggregate Outstanding Amount of the Secured Debt of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Secured Debt, without further notice to the non-consenting Holders thereof (for settlement on the Re-Pricing Date) to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Secured Debt such Holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event the Issuer shall receive Exercise Notices with respect to less than the Aggregate Outstanding

Amount of the Secured Debt of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Secured Debt, without further notice to the non-consenting Holders thereof (for settlement on the Re-Pricing Date) to the Holders delivering Exercise Notices with respect thereto, and any excess Secured Debt of the Re-Priced Class held by non-consenting Holders shall be sold (for settlement on the Re-Pricing Date) to one or more transferees designated by the Re-Pricing Intermediary and consented to by the Collateral Manager on behalf of the Issuer. All sales of Re-Pricing Eligible Debt to be effected pursuant to this clause (c) shall be made at the applicable Redemption Price after giving effect on a *pro forma* basis to all payments to be made pursuant to the Priority of Payments on the Re-Pricing Date if such date is a Payment Date, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Re-Pricing Eligible Debt, by its acceptance of an interest in the Re-Pricing Eligible Debt, agrees that the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may enter into binding commitments to sell and transfer all Re-Pricing Eligible Debt of a Re-Priced Class held by non-consenting Holders in accordance with this Section 9.7 and, if it is a non-consenting Holder, hereby irrevocably appoints the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, as its true and lawful agent and attorney-in-fact (with full power of substitution) in its name, place and stead and at its expense, in connection with such sale and transfer, and agrees to sell and transfer its Secured Debt in accordance with this Section 9.7 and to cooperate with the Issuer, the Re-Pricing Intermediary and the Collateral Trustee to effectuate such sale and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Collateral Trustee and the Collateral Manager not later than five (5) Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Secured Debt of the Re-Priced Class held by non-consenting Holders. For the avoidance of doubt, such Re-Pricing will apply to all the Secured Debt of the Re-Priced Class, including the Secured Debt of the Re-Priced Class held by non-consenting Holders.

(d) The Issuer shall not effect any proposed Re-Pricing unless: (i) with the consent of a Majority of the Subordinated Securities and the Collateral Manager, the Issuers and the Collateral Trustee shall have entered into a supplemental indenture and the Issuers, the Collateral Trustee and the Loan Agent shall have entered into an amendment to the Credit Agreement, as applicable, dated as of the Re-Pricing Date solely to decrease the spread over ~~LIBOR~~ the Benchmark (or, in the case of any Fixed Rate Debt, the stated rate of interest) applicable to the Re-Priced Class; (ii) the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, has received written commitments to purchase all Secured Debt of the Re-Priced Class held by non-consenting Holders; (iii) the Rating Agency shall have been notified of such Re-Pricing; (iv) the Issuer has Tax Advice to the effect that (1) such Re-Pricing will not cause the Issuer to have any U.S. federal income or withholding tax liability or otherwise have a material adverse effect on the tax treatment of the Issuer and (2) any Class A Debt or Class B Notes subject to Re-Pricing will be treated as debt for U.S. federal income tax purposes; (v) all expenses of the Issuer and the Collateral Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing shall not exceed the amount of Interest Proceeds expected to be available after taking into account all amounts required to be paid pursuant to the Priority of Payments on the subsequent Payment Date prior to distributions to the Holders of the Subordinated Securities, unless such expenses shall have been paid (including from proceeds of any additional issuance of Subordinated Securities) or shall be adequately provided for by an entity other than the Issuer; and (vi) the Issuer, the Collateral Manager, the Retention Holder and any "sponsor" of the Issuer under

the U.S. Risk Retention Rules and the EU Risk Retention Requirements is in compliance with the U.S. Risk Retention Rules and the EU Risk Retention Requirements as a result of such Re-Pricing unless such Person has consented to such Re-Pricing. Unless it otherwise consents, none of the Collateral Manager, the Retention Holder nor any of their Affiliates shall be required to acquire any obligations or securities of the Issuer in connection with such Re-Pricing.

(e) If notice has been timely received by the Collateral Trustee and the Loan Agent from the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, confirming that the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, has received written commitments to purchase all Secured Debt of the Re-Priced Class held by non-consenting Holders, notice of a Re-Pricing shall be given by the Collateral Trustee and the Loan Agent by email transmission, if available, and by first class mail, postage prepaid, mailed not less than three (3) Business Days prior to the proposed Re-Pricing Date, to each Holder of Secured Debt of the Re-Priced Class at the address in the Register (and, in the case of Global Notes, delivered by electronic transmission to DTC) (with a copy to the Collateral Manager), specifying the applicable Re-Pricing Date and Re-Pricing Rate. Notice of Re-Pricing shall be given by the Collateral Trustee at the expense of the Issuer. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Securities on or prior to the fourth Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Collateral Trustee, the Loan Agent and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Collateral Trustee and the Loan Agent shall send such notice to the Holders of Secured Debt and the Subordinated Securities and the Rating Agency.

(f) The Issuer shall direct the Collateral Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing and the Collateral Trustee shall have the authority to take such actions as may be directed by the Issuer or the Collateral Manager as the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, or Collateral Manager shall deem necessary or desirable to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary or desirable, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such consenting or non-consenting Holder(s). The Collateral Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that the Re-Pricing is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with. The Collateral Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Collateral Trustee in order to effect a Re-Pricing.

Section 9.8 Clean-Up Call Redemption.

(b) Notwithstanding anything to the contrary set forth herein, the Secured Debt shall not be redeemed pursuant to a Clean-Up Call Redemption unless (i) at least five (5) Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Collateral Trustee evidence, in form satisfactory to the Collateral Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements to sell to a financial or other institution or institutions not later than the Business Day immediately preceding the scheduled Redemption Date, all or part of the Collateral Obligations at a purchase price at least equal to an amount sufficient, together with the Eligible Investments maturing, redeemable (or puttable to the issuer thereof at par) on or prior to the scheduled Redemption Date, to pay all Administrative Expenses and other fees and expenses payable in accordance with the Priority of Payments (without regard to the Administrative Expense Cap) prior to the payment of the principal of the Secured Debt to be redeemed and redeem all of the Secured Debt on the scheduled Redemption Date at the applicable Redemption Price, or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Collateral Trustee in a certificate of a Responsible Officer upon which the Collateral Trustee can conclusively rely that, in its judgment (which may be based on the Issuer having entered into an agreement to sell such Assets to another special purpose entity that has committed financing or that has priced but has not yet closed its securities offering if such securities offering is expected to close on or prior to the scheduled Redemption Date), the aggregate sum of (A) any expected proceeds from the sale of Eligible Investments and (B) for each Collateral Obligation, the Market Value thereof, shall equal or exceed the Redemption Price of the Secured Debt. Any certification delivered by the Collateral Manager pursuant to this Section 9.8(b) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations required by this Section 9.8(b).

(c) Upon receipt from the Collateral Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer will set the related Redemption Date and the Record Date and give written notice thereof to the Collateral Trustee, the Collateral Administrator, the Collateral Manager and the Rating Agency not later than fifteen (15) Business Days prior to the proposed Redemption Date. A notice of redemption will be given by email, if available, and by first-class mail, postage prepaid, mailed not later than ten (10) Business Days prior to the applicable Redemption Date, to each Holder of Secured Debt, at such Holder's address in the register maintained by the registrar under this Indenture (and, in the case of Global Notes, delivered by electronic transmission to DTC), the Fiscal Agent (who will notify the Holders of the Subordinated Securities in accordance with the Fiscal Agency Agreement) and the Rating Agency.

(d) Any notice of a Clean-Up Call Redemption may be withdrawn by the Issuer (or by the Collateral Manager on behalf of the Issuer) up to (and including) the fourth Business Day prior to the related Redemption Date by written notice to the Collateral Trustee, the Loan Agent and the Rating Agency (if the Secured Debt remains Outstanding) only if the Collateral Manager has not delivered the sale agreement or agreements or certifications as described in Section 9.8(b) in form satisfactory to the Collateral Trustee.

(e) The Collateral Trustee and the Loan Agent, as applicable, will give notice of any such withdrawal of a Clean-Up Call Redemption, at the expense of the Issuer, to each Holder of Secured Debt that were to be redeemed at such holder's address in the Register and the Fiscal Agent (who will notify the Holders of the Subordinated Securities in accordance with the Fiscal Agency Agreement), by overnight courier guaranteeing next day delivery not later than the third Business Day prior to the related scheduled Redemption Date.

The Collateral Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Secured Debt and Subordinated Securities and shall apply it as provided herein. Each Account shall be established and maintained (a) with a federal or state-chartered depository institution that has a short-term debt rating of at least "A-1" and a long-term debt rating of at least "A" (or, in the absence of a short-term debt rating, a long-term debt rating of at least "A+") by S&P or (b) in segregated trust accounts with the corporate trust department of a federal or state-chartered deposit institution that has a short-term debt rating of at least "A-1" and a long-term debt rating of at least "A" (or, in the absence of a short-term debt rating, a long-term debt rating of at least "A+") by S&P and is subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b) (an "Eligible Institution") and, in each case, if such institution's rating falls below any such rating threshold, the assets held in such Account shall be moved within 30 calendar days to another institution that satisfies those ratings. Such institution shall have a combined capital and surplus of at least U.S.\$200,000,000. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Collateral Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a Massachusetts trust company holding segregated trust assets in a fiduciary capacity. Notwithstanding anything herein to the contrary, the Collateral Trustee shall not credit or otherwise deposit Excluded Property into any Account. The Co-Issuer shall have no legal, equitable or beneficial interest in an Account.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Issuer shall, prior to the Closing Date, cause the Collateral Trustee to establish at the Custodian two segregated trust accounts, one of which will be designated the "Interest Collection Subaccount" and one of which will be designated the "Principal Collection Subaccount" (and which together will comprise the Collection Account), each held in the name of the Issuer subject to the Lien of this Indenture and each of which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Collateral Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof or upon transfer from the Payment Account, all Interest Proceeds (unless simultaneously reinvested in additional Collateral

Obligations in accordance with Article XII). The Collateral Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account, the Ramp-Up Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties or the Issuer (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Collateral Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Collateral Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer (or the Collateral Manager on behalf of the Issuer) shall use its commercially reasonable efforts to, within five (5) Business Days after receipt of such notice from the Collateral Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; provided that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Collateral Trustee certifying that such distributions or other proceeds constitute Collateral Obligations, Equity Securities or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Collateral Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with any Principal Financed Accrued Interest) and reinvest (or invest, in the case of funds referred to in Section 7.18) such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII and such Issuer Order. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) any amount required to purchase additional Collateral Obligations or to exercise a warrant or right to acquire securities held in the Assets in accordance with the requirements of Article XII and such Issuer Order; *provided* that if such payment to exercise a warrant or right to acquire securities held in the Assets is made from Principal Proceeds, the Adjusted Collateral Principal Amount is greater than or equal to the Reinvestment Target Par Balance after giving effect to such payment and receipt of any related assets or other proceeds, and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); *provided* that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date; *provided further* that the Collateral Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense pursuant to this Section 10.2 on any day other than a Payment Date if, in its reasonable determination, the payment of such amount is likely to leave insufficient funds available to pay in full each of the items described in Section 11.1(a)(i)(A) as reasonably anticipated to be or become due and payable on the next Payment Date, taking into account the Administrative Expense Cap.

(e) The Collateral Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.

(f) In connection with a Refinancing in part by Class of one or more Classes of Secured Debt, the Collateral Manager on behalf of the Issuer may direct the Collateral Trustee to apply Partial Refinancing Interest Proceeds from the Interest Collection Subaccount on the date of a Refinancing of one or more Classes of Secured Debt to the payment of the Redemption Price(s) of the Class or Classes of Secured Debt subject to Refinancing without regard to the Priority of Payments.

In accordance with this Indenture and the Securities Account Control Agreement, the Issuer shall, prior to the Closing Date, cause the Collateral Trustee to establish at the Custodian a single, segregated non-interest bearing trust account held in the name of State Street Bank and Trust Company, as Collateral Trustee, for the benefit of the Secured Parties, which shall be designated as the Payment Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Secured Debt and Subordinated Securities in accordance with their terms and the provisions of this Indenture and, upon Issuer Order, to pay Administrative Expenses, fees and other amounts due and owing to the Collateral Manager under the Collateral Management Agreement and other amounts specified herein, each in accordance with the Priority of Payments. The Issuer shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with this Indenture (including the Priority of Payments) and the Securities Account Control Agreement. All Collateral Obligations shall be credited to the Custodial Account. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Collateral Trustee agrees to give the Issuer immediate notice if (to the actual knowledge of a Trust Officer of the Collateral Trustee) the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments.

(c) Ramp-Up Account. In accordance with this Indenture and the Securities Account Control Agreement, the Collateral Trustee shall, if directed to do so by the Issuer, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account held in the name of the Issuer, subject to the Lien of this Indenture, which shall be designated as the Ramp-Up Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Collateral Trustee to deposit the amount specified in Section 3.1(xi)(A) to the Ramp-Up Account on the Closing Date. In connection with any purchase of an additional Collateral Obligation, the Collateral Trustee will apply amounts held in the Ramp-Up Account as provided by Section 7.18(b) and Section 7.18(f). Any income earned on amounts deposited in the Ramp-Up Account will be deposited in the Interest Collection Subaccount. All other amounts on deposit in the Ramp-Up Account will be deemed to represent Principal Proceeds. Upon the occurrence of an Enforcement Event (and excluding any amounts that will be used to settle binding commitments entered into prior to such date), the Collateral Trustee will deposit any remaining amounts in the Ramp-Up Account into the Principal Collection Subaccount as Principal Proceeds. On the Effective Date (and excluding any amounts that will be used to settle binding commitments entered into prior to such date), the Collateral Manager, in its sole discretion, shall direct the Collateral Trustee to deposit from amounts remaining in the Ramp-Up Account (x) an amount designated by the Collateral Manager not greater than 0.5% of the Target Initial Par Amount into the Interest Collection Subaccount as Interest Proceeds, *provided* that the Target Initial Par Condition is satisfied before and after giving effect to such deposit, and (y) any remaining amounts (after any deposit pursuant to clause (x) above) into the Principal Collection Subaccount as Principal Proceeds.

(d) Expense Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Issuer shall, prior to the Closing Date, cause the Collateral Trustee to establish at the Custodian a single, segregated non-interest bearing trust account held in the name of the Issuer, subject to the Lien of this Indenture, which shall be designated as the Expense Reserve Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Collateral Trustee to deposit the amount specified in Section 3.1(xi)(B) to the Expense Reserve Account. On any Business Day from the Closing Date up to the date that is two (2) Business Days prior to the first Payment Date following the Closing Date, the Collateral Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, (i) to pay expenses of the Issuers incurred in

connection with the establishment of the Issuers, the structuring and consummation of the Offering and the issuance or incurrence of the Secured Debt and Subordinated Securities or (ii) to the Collection Account as Principal Proceeds (or, prior to the Effective Date, the Ramp-Up Account) or (solely in respect of the first Payment Date) as Interest Proceeds. By the date that is two (2) Business Days prior to the first Payment Date following the Closing Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Payment Date) will be deposited in the Collection Account as Principal Proceeds and/or Interest Proceeds and the Expense Reserve Account will be closed. Thereafter, amounts may be deposited into the Expense Reserve Account in connection with the issuance or incurrence of Additional Debt and the Collateral Trustee shall apply such funds from the Expense Reserve Account, as directed by the Collateral Manager on behalf of the Issuer, as needed to pay expenses of the Issuer incurred in connection with such additional issuance or as a deposit into the Collection Account as Principal Proceeds or Interest Proceeds (solely with respect to the first Payment Date following such additional issuance). Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Subaccount as Interest Proceeds as it is received.

(e) Interest Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Collateral Trustee shall, if directed to do so by the Issuer, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of the Issuer, subject to the Lien of this Indenture, designated as the "Interest Reserve Account". The Issuer shall direct the Collateral Trustee to make the deposit specified in Section 3.1(xi)(C) to the Interest Reserve Account. Such Interest Reserve Amount shall be transferred to the Collection Account as Interest Proceeds on the Determination Date relating to the first Payment Date unless the Collateral Manager, in its discretion, provides written notice to the Collateral Trustee that such Interest Reserve Amount shall not be so transferred and should instead be held in the Interest Reserve Account for application in accordance with this Section 10.3(e). The only permitted withdrawals from or application of funds or property on deposit in the Interest Reserve Account shall be in accordance with the provisions of this Indenture, including: (i) prior to the second Payment Date, at the discretion of the Collateral Manager, to the Collection Account as Interest Proceeds or to the Collection Account (or, prior to the Effective Date, the Ramp-Up Account) as Principal Proceeds (as designated by the Collateral Manager), and (ii) amounts remaining in the Interest Reserve Account after the second Payment Date shall be transferred to the Collection Account as Interest Proceeds or Principal Proceeds (as designated by the Collateral Manager).

Section 10.4 The Revolver Funding Account. Upon the purchase or acquisition of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation identified by written notice to the Collateral Trustee, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn from the Ramp-Up Account and/or from the Principal Collection Subaccount (at the direction of the Collateral Manager) and deposited by the Collateral Trustee in a single, segregated trust account established (in accordance with this Indenture and the Securities Account Control Agreement) at the Custodian and held in the name of the Issuer subject to the Lien of this Indenture (the "Revolver Funding Account"). Upon initial purchase or acquisition of any such obligations, funds deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to

Section 10.6 and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds. All other amounts held in the Revolver Funding Account will be deemed to represent Principal Proceeds.

The Issuer shall, at all times maintain sufficient funds on deposit in the Revolver Funding Account such that the sum of the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the sum of the unfunded funding obligations under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager on behalf of the Issuer. In the event of any shortfall in the Revolver Funding Account, the Collateral Manager (on behalf of the Issuer) may direct the Collateral Trustee to, and the Collateral Trustee thereafter shall, transfer funds in an amount equal to such shortfall from the Principal Collection Subaccount to the Revolver Funding Account.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be treated as Principal Proceeds and will be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; *provided* that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (i) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, (ii) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (iii) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation) may be transferred by the Collateral Trustee (at the written direction of the Collateral Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

Section 10.5 Contributions. At any time, the holders of the Subordinated Securities may, but shall not be required to, make contributions of cash, Eligible Investments, or Collateral Obligations to the Issuer for any purpose; provided that (i) following the first Payment Date, each such contribution shall be in an amount equal to or greater than U.S.\$500,000 and (ii) without the prior written consent of a Majority of the Controlling Class, no more than 5 such contributions may be made after the first Payment Date. Cash contributions may be treated as Interest Proceeds if so directed by the holders of a Majority of the Subordinated Securities where necessary to cure or prevent any default or to permit any Interest Coverage Test to be satisfied, or if not satisfied, maintained or improved and otherwise will be treated as Principal Proceeds; provided that any such designation shall be irrevocable. The Collateral Trustee will post the details of any contributions on a dedicated page in the Monthly Report.

Section 10.6 Reinvestment of Funds in Accounts; Reports by Trustee (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Collateral Trustee to, and, upon receipt of such Issuer Order, the Collateral Trustee shall, invest all funds on deposit in the Collection Account, the Ramp-Up Account, the Revolver Funding Account, the Interest Reserve Account and the Expense Reserve Account, as so directed in Eligible Investments having stated maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Collateral Trustee shall seek instructions from the Collateral Manager within three (3) Business Days after transfer of any funds to such accounts. If the Collateral Trustee does not thereafter receive written instructions from the Collateral Manager within five (5) Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Directed Investment. If after the occurrence of an Event of Default, the Issuer shall not have given such investment directions to the Collateral Trustee for three consecutive days, the Collateral Trustee shall invest and reinvest such Monies as fully as practicable in the Standby Directed Investment unless and until contrary investment instructions as provided in the preceding sentence are received or the Collateral Trustee receives a written instruction from the Issuer, or the Collateral Manager on behalf of the Issuer, changing the Standby Directed Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Subaccount, any gain realized from such investments shall be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Subaccount. The Collateral Trustee shall promptly forward to the Collateral Manager copies of notices and other writings received by it from the obligor or issuer of any Asset or from any Clearing Agency with respect to any Asset which notices or writings advise the holders of such Asset of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such obligor or issuer and Clearing Agencies with respect to such issuer.

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the Holders will include a notice to the following effect:

"The United States Investment Company Act of 1940, as amended (the "1940 Act"), requires that all holders of the outstanding securities of the Issuer that are U.S. persons (as defined in Regulation S) be "Qualified Purchasers" ("Qualified Purchasers") as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, the Issuer must have a "reasonable belief" that all holders of its outstanding securities that are "U.S. persons" (as defined in Regulation S), including transferees, are Qualified Purchasers. Consequently, all sales and resales of the Notes in the United States or to "U.S. persons" (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers. Each purchaser of a Note in the United States who is a "U.S. person" (as defined in Regulation S) (such Note a "Restricted Note") will be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser who is a qualified institutional buyer as defined in Rule 144A under the Securities Act ("QIB"); (ii) the purchaser is acting for its own account or the account of

another Qualified Purchaser and QIB; (iii) the purchaser is not formed for the purpose of investing in the Issuer (unless each beneficial owner of the purchaser is a Qualified Purchaser); (iv) the purchaser, and each account for which it is purchasing, will hold and transfer at least the minimum denominations of the Notes specified herein; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser will provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Restricted Notes may only be transferred to another Qualified Purchaser and QIB and all subsequent transferees are deemed to have made representations (i) through (vi) above.”

“The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.”

“The Indenture provides that if, notwithstanding the restrictions on transfer contained therein, the Issuer determines that any holder of, or beneficial owner of an interest in a Restricted Note is a “U.S. person” (as defined in Regulation S) who is determined not to have been a Qualified Purchaser at the time of acquisition of such Restricted Note, or beneficial interest therein, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Note (or any interest therein) to a Person that is either (x) a Person that is not a “U.S. person” (as defined in Regulation S) acquiring the Notes in an offshore transaction (as defined in Regulation S) in reliance on the exemption from registration provided by Regulation S, or (y) a Qualified Purchaser who is a QIB, with such sale to be effected within 30 days after notice of such sale requirement is given. If such holder or beneficial owner fails to effect the transfer required within such 30-day period, (i) the Issuer or the Collateral Manager acting for the Issuer, without further notice to such holder, shall and is hereby irrevocably authorized by such holder or beneficial owner, to cause its Restricted Note, or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Collateral Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Collateral Trustee, the Issuer and the Collateral Manager, in connection with such transfer, that such Person meets the qualifications set forth in clauses (x) and (y) above and (ii) pending such transfer, no further payments will be made in respect of such Restricted Note, or beneficial interest therein held by such holder or beneficial owner.”

(b) DTC Actions. The Issuer will direct DTC to take the following steps in connection with the Global Notes:

The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a “3c7” indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7).

(iii) On or prior to the Closing Date, the Issuer will instruct DTC to send a Section 3(c)(7) Notice to all DTC participants in connection with the offering of the Global Notes.

(v) The Issuer will cause each CUSIP number obtained for a Global Note to have a fixed field containing “3c7” and “144A” indicators, as applicable, attached to such CUSIP number.

(c) [Bloomberg Screens, Etc.](#) The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) under the 1940 Act restrictions on the Global Notes. ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.4, the Collateral Manager on behalf of the Issuer may (except as otherwise specified in this Section 12.1) direct the Collateral Trustee to sell and the Collateral Trustee shall

sell on behalf of the Issuer in the manner directed by the Collateral Manager any Collateral Obligation or Equity Security if, as certified by the Collateral Manager, such sale meets the requirements of any one of paragraphs (a) through (j) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Section 12.1(h)) and provided that (x) if an Event of Default has occurred and is continuing, the Collateral Manager may not direct the Collateral Trustee to sell any Collateral Obligation or Equity Security pursuant to Section 12.1(e), Section 12.1(f) or Section 12.1(g) and (y) the Collateral Manager may not direct the Collateral Trustee to sell any Collateral Obligation pursuant to this Section 12.1 to ORCC unless such sale satisfies the Purchase and Substitution Limit). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Credit Risk Obligation at any time.

(b) Credit Improved Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Credit Improved Obligation at any time during the Reinvestment Period, if the Collateral Manager reasonably believes prior to any such sale that either:

(i) after giving effect to such sale and subsequent reinvestment, the Adjusted Collateral Principal Amount (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) will be at least equal to the Reinvestment Target Par Balance; or

(ii) it will be able to enter into binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an aggregate outstanding principal balance at least equal to the outstanding principal balance (or, in the case of any Discount Obligation, the purchase price, excluding accrued interest expressed as a percentage of par and multiplied by the outstanding principal balance thereof) of such Credit Improved Obligation within 20 Business Days of such sale;

(c) Defaulted Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Defaulted Obligation at any time. With respect to each Defaulted Obligation that remained a Defaulted Obligation for a continuous period of three years after becoming a Defaulted Obligation and has not been sold or terminated during such three-year period, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.

(d) Equity Securities. The Collateral Manager may direct the Collateral Trustee to sell any Equity Security at any time and shall use its commercially reasonable efforts to effect the sale of any Equity Security, regardless of price (provided that any sale to ORCC or its Affiliates must be on arm's length terms), subject to any applicable transfer restrictions:

(i) within three years after receipt, if such Equity Security is (A) received upon the conversion of a Defaulted Obligation, or (B) received in an exchange initiated by the Obligor to avoid bankruptcy;
and

(ii) within 45 days after receipt, if such Equity Security constitutes Margin Stock, unless such sale is prohibited by applicable law or contractual restriction, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law or such contract.

(e) Optional Redemption, Optional Subordinated Security Redemption or Clean-Up Call Redemption. In connection with an Optional Redemption of the Secured Debt, an Optional Subordinated Security Redemption or a Clean-Up Call Redemption, if all requirements for such redemption set forth in this Indenture are met (or expected to be met), if necessary to effect such redemption, the Collateral Manager shall direct the Collateral Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations (provided that all of the Collateral Obligations shall be sold in connection with an Optional Subordinated Security Redemption) if the requirements of Article IX (including the certification requirements of Section 9.4(e)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Securities has directed (by a written direction delivered to the Collateral Trustee) a Tax Redemption, the Collateral Manager shall, if necessary to effect such Tax Redemption, direct the Collateral Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(e)(ii), if applicable) are satisfied (or expected to be satisfied). If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. The Collateral Manager may direct the Collateral Trustee to sell (in addition to any sales pursuant to clauses (a) through (e) above) any Collateral Obligation to any party other than ORCC at any time other than during a Restricted Trading Period if after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Closing Date, during the period commencing on the Closing Date) is not greater than 25% of the Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the Closing Date, as the case may be).

(h) Mandatory Sales. The Collateral Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale (regardless of price, but after a reasonable period of market inquiry, except that sales to ORCC or its Affiliates must be on arm's length terms) subject to any applicable transfer restrictions of any Collateral Obligation that (i) no longer meets the criteria described in clause (vii) of the definition of "Collateral Obligation", within 18 months after the failure of such Collateral Obligation to meet such criteria or (ii) no longer meets the criteria described in clause (vi) of the definition of "Collateral Obligation" within 45 days after the failure of such Collateral Obligation to meet either such criteria.

(i) Sales in Connection with an Optional Substitution or Optional Repurchase. The Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation to ORCC at any time in connection with an optional purchase or substitution of such Collateral Obligation pursuant to Section 12.3, it being understood that such sales will be subject to the Purchase and Substitution Limit.

(j) Sales at Stated Maturity. The Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation in order to repay the Secured Debt at the earliest Stated Maturity of any Secured Debt Outstanding.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period, the Collateral Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, direct the Collateral Trustee to invest Principal Proceeds, amounts on deposit in the Ramp-Up Account and Principal Financed Accrued Interest, and the Collateral Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction. After the Reinvestment Period, the Collateral Manager shall not direct the Collateral Trustee to invest any amounts on behalf of the Issuer; *provided* that in accordance with Section 12.2(e), Cash on deposit in any Account (other than the Payment Account) may be invested in Eligible Investments following the Reinvestment Period.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Collateral Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; *provided* that the conditions set forth in clauses (ii), (iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date (the "Investment Criteria"):

(i) such obligation is a Collateral Obligation;

(ii) each Coverage Test will be satisfied, or if any such test is not satisfied, the level of compliance with such test is maintained or improved;

(iii) (A) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (3) the Adjusted Collateral Principal Amount (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) will be greater than the Reinvestment Target Par Balance and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, either (1) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (2) the Adjusted Collateral Principal Amount (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) will be greater than the Reinvestment Target Par Balance;

(iv) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved, in each case after giving effect to the investment;

(v) the date on which the Issuer (or the Collateral Manager on its behalf) commits to purchase such Collateral Obligation occurs during the Reinvestment Period; and

(vi) if the Weighted Average Life Test is not satisfied immediately prior to the purchase of such additional Collateral Obligation, the Average Life of such additional Collateral Obligation shall be no greater than the level of the Weighted Average Life Test in effect as of the date of such purchase.

(b) Post-Reinvestment Period Settlement Obligations. If the Issuer has entered into a written trade ticket or other written binding commitment to purchase a Collateral Obligation during the Reinvestment Period which purchase does not settle or is not scheduled to settle prior to the end of the Reinvestment Period (such Collateral Obligation, a "Post-Reinvestment Period Settlement Obligation"), such Post-Reinvestment Period Settlement Obligation shall be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria, and Principal Proceeds received after the end of the Reinvestment Period may be applied to the payment of the purchase price of such Post-Reinvestment Period Settlement Obligation, *provided* that the Collateral Manager believes, in its commercially reasonable business judgment, that the settlement date with respect to such purchase will occur within forty-five (45) Business Days of the date of the trade ticket or other commitment to purchase such Collateral Obligations. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Collateral Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Collateral Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligation.

(c) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the three (3) Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); *provided* that (i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 7.5% of the Collateral Principal Amount as of the first day of the Trading

Plan Period, (ii) no Trading Plan Period may include a Determination Date, (iii) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (iv) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, solely as a result of the purchases and sales included in the Trading Plan, the Investment Criteria shall not at any time thereafter be evaluated by giving effect to a Trading Plan, (v) no Trading Plan may result in the purchase of Collateral Obligations with the difference between the maturity of the Collateral Obligation with the shortest maturity in such group and the maturity of the Collateral Obligation with the longest maturity in such group being greater than 36 months and (vi) no Trading Plan may result in the purchase of a Collateral Obligation with a maturity of less than six months. The Collateral Manager shall provide prior written notice to the Rating Agency of (i) any Trading Plan, which notice shall specify the proposed investments identified by the Collateral Manager for acquisition as part of such Trading Plan and (ii) the occurrence of the event described in clause (z) above. The Collateral Manager shall notify the Collateral Trustee of the completion of any Trading Plan and upon receipt of such notice, the Collateral Trustee will post a notice on the Collateral Trustee's website.

(d) Certification by Collateral Manager. Not later than the Cut-Off Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Collateral Manager shall deliver by e-mail or other electronic transmission to the Collateral Trustee and the Collateral Administrator an Officer's certificate of the Collateral Manager certifying that such purchase complies with this Section 12.2 and Section 12.4.

(e) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

Section 12.3 Optional Purchase or Substitution of Collateral Obligations.

(a) Optional Substitutions.

(i) With respect to any Collateral Obligation as to which a Substitution Event has occurred, subject to the limitations set forth in this Section 12.3 (including the Purchase and Substitution Limit), ORCC may (but shall not be obligated to) either (x) convey to the Issuer one or more Collateral Obligations in exchange for such Collateral Obligation or (y) deposit into the Principal Collection Subaccount an amount equal to the Fair Market Value (or, with respect to any Collateral Obligation that, at the time of its acquisition, an application to S&P for a credit estimate was pending and that, upon the provision of such credit estimate, such Collateral Obligation became a S&P CCC Collateral Obligation, the purchase price that the Issuer paid to acquire such Collateral Obligation) for such Collateral Obligation and then, prior to the expiration of the Substitution Period, convey to the Issuer one or more Collateral Obligations in exchange for the funds so deposited or a portion thereof.

(ii) Any substitution pursuant to this Section 12.3(a) shall be initiated by delivery of written notice in the form of Exhibit F hereto (a "Notice of Substitution") by ORCC to the Collateral Trustee, the Issuer and the Collateral Manager that ORCC intends to substitute a Collateral Obligation pursuant to this Section 12.3(a) and shall be completed prior to the earliest of: (x) the expiration of 90 days after delivery of such notice (or, with respect to any

Collateral Obligation that is substituted or repurchased solely on the basis of becoming a Post-Transition S&P CCC Collateral Obligation, 15 Business Days from the date on which it became a Post-Transition S&P CCC Collateral Obligation); (y) delivery of written notice to the Collateral Trustee from ORCC stating that ORCC does not intend to convey any additional Substitute Collateral Obligations to the Issuer in exchange for any remaining amounts deposited in the Principal Collection Subaccount under clause (a)(i)(y) or (z) in the case of a Collateral Obligation which has become subject to a Specified Amendment, the effective date set forth in such Specified Amendment (such period described in clause (ii)(x), (y) or (z), as applicable, being the “Substitution Period”).

(iii) Each Notice of Substitution shall specify the Collateral Obligation to be substituted, the reasons for such substitution and the Fair Market Value (or, with respect to any Collateral Obligation that is substituted or repurchased solely on the basis of becoming a Post-Transition S&P CCC Collateral Obligation, the purchase price that the Issuer paid to acquire such Collateral Obligation) with respect to the Collateral Obligation. On the last day of any Substitution Period, any amounts previously deposited in accordance with clause (a)(i)(y) above which relate to such Substitution Period that have not been applied to purchase one or more Substitute Collateral Obligations or to fund the Revolver Funding Account if necessary with respect thereto shall be deemed to constitute Principal Proceeds; *provided* that prior to the expiration of the related Substitution Period any such amounts shall not be deemed to be Principal Proceeds and shall remain in the Principal Collection Subaccount until applied to acquire Substitute Collateral Obligations or to fund the Revolver Funding Account if necessary with respect thereto.

(iv) The substitution of any Substitute Collateral Obligation will be subject to the satisfaction of the Substitute Collateral Obligations Qualification Conditions as of the related Cut-Off Date for each such Collateral Obligation (after giving effect to such substitution).

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia which law firm may, except as otherwise expressly provided herein, be counsel for the Issuer), unless such Officer knows, or should know, that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager or of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager or of the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Collateral Trustee at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's right to make such request or direction, the Collateral Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in [Section 6.1\(d\)](#).

The Bank (in any capacity under the Transaction Documents) agrees to accept and act upon instructions or directions pursuant to the Transaction Documents sent by unsecured email, facsimile transmission or other similar unsecured electronic methods. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "[Act](#)" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Collateral Trustee and the Issuers, if made in the manner provided in this [Section 14.2](#).

A separate Beneficial Ownership Certificate must be delivered each time any such vote, consent or direction is given; *provided* that nothing shall prevent the Collateral Trustee from requesting additional information and documentation with respect to any such beneficial owner.

Section 14.8 Benefits of Indenture. Except as otherwise expressly set forth in this Indenture, nothing herein or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders of the Secured Debt or Subordinated Securities and (to the extent provided herein) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Nothing herein precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 WAIVER OF JURY TRIAL. EACH OF THE ISSUERS, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. This Indenture (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by e-mail (.pdf) or facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by e-mail (.pdf) or facsimile shall be effective as delivery of a manually executed counterpart of this Indenture.

(h) Notwithstanding anything herein to the contrary, the maintenance by the Information Agent of the website described in Section 10.7(g) shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(i) For the avoidance of doubt, no reports of Independent accountants shall be provided to the Rating Agency hereunder and shall not be posted to the 17g-5 Website.

Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.16 shall not constitute a Default or Event of Default.

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements

thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder *provided* that, notwithstanding anything herein to the contrary, the Collateral Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived and, for the avoidance of doubt, the Issuer may exercise any of its rights under the Collateral Management Agreement without notice to or the consent of the Collateral Trustee (except as otherwise expressly required by this Indenture), so long as an Event of Default has not occurred and is not continuing. From and after the occurrence and continuance of an Event of Default, the Collateral Manager shall continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture applicable thereto.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Collateral Trustee.

(c) Upon the retirement of the Secured Debt and Subordinated Securities, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Collateral Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Collateral Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that, as of the date hereof, the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the Collateral Manager Standard) of the Collateral Management Agreement.

(ii) The Collateral Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Collateral Trustee as representative of the Holders and the Collateral Manager shall agree that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Collateral Trustee.

(iii) The Collateral Manager shall deliver to the Collateral Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Collateral Manager to the Issuer pursuant to the Collateral Management Agreement.

(iv) Neither the Issuer nor the Collateral Manager will enter into any agreement amending, modifying or terminating the Collateral Management Agreement except as permitted by the Collateral Management Agreement.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 8 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Issuer to the Collateral Manager under the Collateral Management Agreement until the payment in full of all Secured Debt issued under this Indenture and Subordinated Securities issued under the Issuer's Memorandum and Articles and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 5 of the Collateral Management Agreement, if the Collateral Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Secured Debt or Subordinated Securities and any other account or portfolio for which the Collateral Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Collateral Manager will give written notice briefly describing such conflict and the action it proposes to take to the Collateral Trustee, who shall promptly forward such notice to the relevant Holder. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Collateral Management Agreement.

(vii) On each Measurement Date on which the S&P CDO Monitor Test is used, the Collateral Manager on behalf of the Issuer will measure compliance under such test.

(g) The Issuer and the Collateral Trustee agree that the Collateral Manager shall be a third party beneficiary of this Indenture, and shall be entitled to rely upon and enforce such provisions of this Indenture to the same extent as if it were a party hereto.

(h) Upon a Trust Officer of the Collateral Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" has occurred, the Collateral Trustee shall, not later than two (2) Business Days thereafter, forward such notice to the Holders (as their names appear in the Register).

Moody's Rating Definitions

MOODY'S RATING

(a) With respect to a Collateral Obligation that (A) is publicly rated by Moody's, such public rating, or (B) is not publicly rated by Moody's but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Collateral Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation;

(b) With respect to a Collateral Obligation that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan (if not determined pursuant to clause (a) above), if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating; and

(c) With respect to a Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if such Collateral Obligation is a Moody's Senior Secured Loan, the Moody's rating that is one subcategory higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Collateral Manager in its sole discretion.

For purposes of calculating a Moody's Rating, each applicable rating, at the time of calculation, (i) on credit watch by Moody's with positive implications will be treated as having been upgraded by one rating subcategory, (ii) on credit watch by Moody's with negative implications will be treated as having been downgraded by two rating subcategories and (iii) on negative outlook by Moody's will be treated as having been downgraded by one rating subcategory.

For purposes of this definition, any credit estimate assigned by Moody's shall expire one year from the date such estimate was issued *provided* that, for purposes of any calculation under this Indenture, if Moody's fails to renew for any reason a credit estimate for a previously acquired Collateral Obligation thereunder on or before such one-year anniversary (which may be extended at Moody's option to the extent the annual audited financial statements for the Obligor have not yet been received), after the Issuer or the Collateral Manager on the Issuer's behalf has submitted to Moody's all information that the Issuer or the Collateral Manager believed in good faith was required to provide such renewal, (1) the Issuer for a period of 30 days will continue using the previous credit estimate assigned by Moody's with respect to such Collateral Obligation until such time as Moody's renews the credit estimate for such Collateral Obligation, (2) after 30 days until the 90th day or until such time as Moody's renews the credit estimate for such Collateral Obligation the Collateral Obligation will be treated as having been downgraded by one rating subcategory and (3) after 90 days but before Moody's renews the credit estimate for such Collateral Obligation, the Collateral Obligation will be deemed to have a Moody's rating of "Caa3".

MOODY'S SENIOR SECURED LOAN

(a) A loan that:

(i) is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the Obligor of the loan;

(ii) (x) is secured by a valid first priority perfected security interest or lien in, to or on specified collateral securing the Obligor's obligations under the loan and (y) such specified collateral does not consist entirely of equity securities or common stock; provided that any loan that would be considered a Moody's Senior Secured Loan but for clause (y) above shall be considered a Moody's Senior Secured Loan if it is a loan made to a parent entity and as to which the Collateral Manager determines in good faith that the value of the common stock of the subsidiary (or other equity interests in the subsidiary) securing such loan at or about the time of acquisition of such loan by the Issuer has a value that is at least equal to the outstanding principal balance of such loan and the outstanding principal balances of any other obligations of such parent entity that are pari passu with such loan, which value may include, among other things, the enterprise value of such subsidiary of such parent entity; and

(iii) the value of the collateral securing the loan together with other attributes of the Obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay the loan in accordance with its terms and to repay all other loans of equal seniority secured by a first lien or security interest in the same collateral; or

(b) a loan that:

(i) is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the Obligor of the loan, except that such loan can be subordinate with respect to the liquidation of such Obligor or the collateral for such loan;

(ii) with respect to such liquidation, is secured by a valid second priority perfected security interest or lien in, to or on specified collateral securing the Obligor's obligations under the loan;

(iii) the value of the collateral securing the loan together with other attributes of the Obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay the loan in accordance with its terms and to repay all other loans of equal or higher seniority secured in the same collateral; and

(iv) (x) has a Moody's facility rating and the Obligor of such loan has a Moody's corporate family rating and (y) such Moody's facility rating is not lower than such Moody's corporate family rating; and

(c) a loan that is not a loan for which the security interest or lien (or the validity or effectiveness thereof) in substantially all of its collateral attaches, becomes effective, or otherwise "springs" into existence after the origination thereof.

* The S&P Recovery Rate will be the applicable rate set forth above based on the initial rating of the Highest Ranking Class at the time of determination.

** Solely for the purpose of determining the S&P Recovery Rate for such loan, no loan will constitute a "Senior Secured Loan" unless such loan (a) is secured by a valid first priority security interest in collateral, (b) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such loan's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal balance of all loans senior or *pari passu* to such loans and (ii) the outstanding principal balance of such loan, which value may be derived

from, among other things, the enterprise value (including equity and goodwill) of the issuer of such loan; *provided* that the terms of this footnote may be amended or revised at any time by a written notice from the Issuer and the Collateral Manager to the Collateral Trustee and the Collateral Administrator (without the consent of any holder of any Secured Debt or Subordinated Securities), subject to the satisfaction of the S&P Rating Condition, in order to conform to S&P then-current criteria for such loans and (c) is not subordinate to any other obligation; *provided further* that if 100% of the value of such loan is derived from the enterprise value of the issuer of such loan, such loan will have either (1) the S&P Recovery Rate specified for Unsecured Loans in the table above, or (2) the S&P Recovery Rate determined by S&P on a case by case basis.

*** For the avoidance of doubt, each Cov-Lite Loan will constitute a “senior secured cov-lite loan”.

**** Solely for the purpose of determining the S&P Recovery Rate for such loan, the Aggregate Principal Balance of all Unsecured Loans, First-Lien Last-Out Loans and Second Lien Loans that, in the aggregate, represent up to 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for Unsecured Loans, First-Lien Last-Out Loans and Second Lien Loans in the table above and the Aggregate Principal Balance of all Unsecured Loans, First-Lien Last-Out Loans and Second Lien Loans in excess of 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for subordinated loans in the table above.

***** In each case, or such other countries identified as such by S&P in a press release, written criteria or other public announcement from time to time or as may be notified by S&P to the Collateral Manager from time to time.

Notwithstanding the foregoing, for purposes of determining the S&P Recovery Rate of a Collateral Obligation that is a Senior Secured Loan (including any Cov-Lite Loan) secured solely or primarily by common stock or other equity interest, such Collateral Obligation shall be deemed to be an Unsecured Loan.

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

- (a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.
- (b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.
- (c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.
- (d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each S&P Industry Classification, shown on Schedule 3, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.
- (e) An "Industry Diversity Score" is then established for each S&P Industry Classification, shown on Schedule 3, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:*

(f) The Diversity Score is then calculated by summing each of the Industry Diversity Scores for each S&P Industry Classification shown on Schedule 3.

For purposes of calculating the Diversity Score, affiliated issuers in the same Industry are deemed to be a single issuer (provided that one obligor shall not be considered an affiliate of another obligor solely because they are controlled by the same financial sponsor) except as otherwise agreed to by S&P.
